Dear [redacted]

Thank you for your information request of 21 May 2016. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please provide details of all correspondence and meetings between Aberdeen Football Club/Stewart Milne and Jenny Laing and other councillors between June 2015 and May 2016. A search was undertaken within Councillor Laing's office and no correspondence or details of meetings are held.

A further search was undertaken of other Councillors' correspondence and meeting records. Please see attached correspondence held by Councillor Delaney and Councillor Cameron.

ACC is unable to provide you with information on **details of all correspondence and meetings between Aberdeen Football Club/Stewart Milne and Jenny Laing between June 2015 and May 2016** as it is not held by the Council. In order to comply with its obligations under the terms of Regulation 10(4)(a) - Information Not Held - of the EIRs, ACC hereby gives notice that this information is not held by it. ACC is required by Regulation 10(1)(b) of the EIRs to inform you as to why in all the circumstances of the case, the public interest in maintaining this exception outweighs the public interest in disclosing this information to you. ACC is satisfied that it does not hold this information and considers that, as there is no information held, the public interest lies with the exception.

ACC is unable to provide you with information on **names, direct contact details and signatures of ACC officers below Head of Service level and of third party individuals** as it is excepted from disclosure. In order to comply with its obligations under the terms of Regulation 13 of the EIRs, ACC hereby gives notice that we are refusing this part of your request under the terms of Regulation 11(2) in conjunction with Regulation 11(3)(a)(i) – Personal Information - of the EIRs.

In making this decision ACC considered the following points:

ACC is of the opinion that Regulation 11(2) applies to the information specified above as the information in question is personal information relating to living individuals, and the applicant is not the data subject.

ACC is of the opinion that Regulation 11(3)(a)(i) applies, as ACC considers that disclosure of this information would be a breach of the first Data Protection Principle (that personal information must be processed fairly and lawfully). Third parties named within the attached documents and ACC officers below Head of Service level would not expect ACC to release this information about them into the public domain under the EIRs (or the Freedom of Information (Scotland) Act 2002 (FOISA)).

We hope this helps with your request.

Yours sincerely,

Anna Buchan
Information Compliance Officer

Dear Steve,

Subject: Proposed development at West Kingsford

Good day to you.

I wanted to draw your attention towards a news release in the local media this week (copy attached) about the planned development by Aberdeen Football Club for proposed training facilities and stadium at the West Kingsford site.

The Club is extremely keen to meet up with you in due course to address any questions and / or concerns that I am sure you will have, and also to provide you with further details of the development ahead of the statutory public consultation which will follow in due course.

This is an extremely positive announcement for the Club, and indeed for the wider region, and I look forward to discussing things further at a mutually convenient time.

Please contact [redacted] on [redacted] to arrange a mutually suitable date and time.

Yours sincerely
