1. Introduction
Aberdeen City Council currently owns and manages around 22,800 properties of various sizes and types such as cottages, flats, multi-storey blocks and sheltered complexes. Approximately 1,600 of these tenancies are terminated each year and the Council needs to allocate these properties to new tenants efficiently and effectively.

At any one time, the total number of applicants wishing to be housed by the Council is around 5,500 with a further 2,500 current tenants wishing to be rehoused. The Council processes around 500 new housing applications each month. In most areas of the city there is a mismatch between the demand for council houses and the number of applicants requesting the type and size of council houses available.

Over the last five years the Council has experienced a dramatic reduction in the amount of properties available for let but the number of applicants has remained the same. Given the difference between the supply of and demand for Council houses this Allocation Policy has been developed to take account of the different circumstances and housing needs of our applicants and to prioritise according to these needs. We aim to give priority to those in greatest need and to achieve this we have developed a system comprising of four waiting lists and award of points to reflect need.

This policy was developed to comply with current legislation, using guidance and best practice from the Scottish Government and the Chartered Institute of Housing and incorporating the outcomes of stakeholder consultation with staff, service users and elected members.

2. Aims and Objectives
- To be consistent, fair and non-discriminatory
- To be transparent and accountable
- To promote social inclusion and equal opportunities
- To house those in greatest need
- To recognise a variety of housing circumstances and the existence of housing need factors such as overcrowding, homelessness and medical needs
- To be more customer focused
- To meet standards of good practice
- To meet the requirements set out in all relevant legislation
- To provide meaningful advice and information to our service users

3. How it Works
Once an applicant has completed a Housing Application Form (HAF) it is processed by the Housing Application and Advice Service in Marischal College.

The processing includes carrying out checks on current and previous Council or Housing Association tenancies and applicant’s rent accounts. Once application checks are completed the application is placed on the appropriate list. If there are issues with the application the Housing Application and
Advice Service will contact the applicant to clarify any issues. If an applicant states in the application form that they are having difficulty accessing their home because of health or support issues, the application will be assessed by our Housing Need Assessment Team to establish if any additional priority should be applied to the application.

The information on the application form is input into the allocation computer system including details of areas of choice and house types selected. The application is then awarded points in line with this policy.

An application’s place on the lists is determined by the applicant’s points or assessment priority and date of priority award. The applicant must then wait for an offer of accommodation. A booklet on the Council’s website called ‘Area Housing Information’ provides details on the Council’s housing stock and relets. The Housing Applications and Advice Service also provide information on other social housing providers and housing options.

### 4. Who can apply?

Prospective applicants can apply online [www.aberdeencity.gov.uk/onlinehousingapplication](http://www.aberdeencity.gov.uk/onlinehousingapplication).

Couples, partners and people who are cohabiting will be treated as joint applicants. Paper customer forms can be collected from all Housing Offices or any Access Point.

To be eligible for admission to the Council’s lists applicants must be 16 years of age or over. Sole or joint applicants who are subject to immigration control in terms of section 118 of the Immigration and Asylum Act 1999 are not eligible for admission to the Council waiting lists. European Economic Area nationals are only eligible for admission to the lists if they have the right to reside in the UK.

Admission onto the Council lists does not mean applicants have the right to be housed by the Council.

**Transfer and Waiting list applicants**

- Transfer List applicants are current tenants of Aberdeen City Council or a Registered Social Landlord within Aberdeen.
- Waiting List applicants are those who are not tenants of Aberdeen City Council or a Registered Social Landlord within Aberdeen.

### 5. Members of the applicant’s household

For the purposes of this policy, and reflecting the Housing (Scotland) Acts 1987 and 2001, the following are considered to be members of an applicant’s household - the applicant’s;

(a) spouse or civil partner (or a person living with the applicant as husband and wife or in a relationship which has the characteristics of the relationship between husband and wife except that the persons are of the same sex)

(b) parent, grandparent, child, grandchild, brother, sister, uncle, aunt, nephew or niece.
For the purposes of (b) above:

- A relationship by marriage or by virtue of civil partnership shall be treated as a relationship by blood;
- A relationship of half blood shall be treated as a relationship by blood;
- The stepchild of a person shall be treated as his/her child;
- A child shall be treated as such whether or not his/her parents are married;
- A child brought up or treated by another person as his or her child is to be treated as that person’s child.

Aberdeen City Council, at its discretion, may also consider the following to be members of an applicant’s household:

- Live-in carers (confirmation of this arrangement will be required);
- Couples who are in a relationship but do not live together;
- Engaged couples;
- Cousins;
- Permanent foster children who are included on an application provided that verification has been provided by Children’s Services that the applicants are the children’s registered/permanent foster carers. (All applications from people who are temporary or prospective foster carers would be considered under delegated powers).
- Friends (but only flatted accommodation would be offered)
- A child or children from a former relationship cannot be treated as permanent members of the applicant’s household unless they live with the applicant for at least half of the week. If they live with the applicant for less than half of the week, the applicant will only be eligible for one additional bedroom in flatted accommodation only, irrespective of the number of such children.
- Where the household comprises of a mixture of children who are resident with the applicant for more and less than 50% of the time, if the inclusion of the children who are resident less than 50% of the time increases the size of accommodation required, the application will be restricted to 1 additional bedroom for the children living there for less than 50% of the time irrespective of the number of such children. The application will also be restricted to flatted accommodation only.
- Where the household comprises of a mixture of children who are resident with the applicant for more and less than 50% of the time, if the inclusion of the children who are resident for less than 50% of the time does not increase the size of accommodation required, the application can be considered for all types of accommodation.

Aberdeen City Council will not normally accept as part of the applicant’s household for the purposes of the housing application any member of the household (other than a partner):

- Who is a hospital patient and is unlikely in the opinion of the Senior Medical Officer of the hospital to be discharged;
- Who indicates in writing that she/he does not want to be regarded as a member of the household;
- Who has applied for separate accommodation in his/her own right;
- Who is an adult and is resident with the applicant less than 50% of the time, with the exception of students and persons in the armed forces.
6. **Checks carried out on an Application**

All applicants and anyone included on an application aged 16 years or over are required to provide details of any Council, Housing Association or Housing Co-operative tenancy they have held during the previous five years, or since their 16th birthday if more recent. Any current or former tenancies will be checked to determine whether they were conducted in a satisfactory manner and that there are no outstanding debts related to the tenancy.

7. **Unsatisfactory Tenancy Conduct and Anti-Social Behaviour**

Where evidence is obtained of an applicant’s history of anti-social behaviour or unsatisfactory conduct of a current or former tenancy, Aberdeen City Council will take into account the causes and impact of such behaviour or conduct when considering applicants for the allocation of housing. Where evidence indicates concern about the future conduct of any applicant or member of their household the matter will be referred to the tenancy support panel. Until a decision is made by the panel, applications for housing will be suspended. This panel consists of senior officers from Housing Services and will determine any restrictions, conditions or support required relating to any future tenancy to be offered by Aberdeen City Council.

This will include any applicants who have had an eviction order made against them for anti-social behaviour within the last three years, or instances where the applicant or a member of their household is subject to an Antisocial Behaviour Order granted after 30 September 2002. Consideration will be given to:

- Offering a Scottish Secure Tenancy;
- Offering a Short Scottish Secure Tenancy (where statutory grounds exist)
- Rehousing an existing tenant of Aberdeen City Council to accommodation of a similar or smaller size and type, in a letting area of similar or lower demand, where their Scottish Secure Tenancy is proving unsatisfactory and the tenant is prepared to accept a Short Scottish Secure Tenancy and associated housing support;
- Granting tenants who currently have a Short Scottish Secure Tenancy another Short Scottish Secure Tenancy, either of the same property or another property elsewhere;
- Offering non-secure flatted accommodation managed by the Aberdeen Families Project. The Families Project is an initiative run jointly by Aberdeen City Council and the charity Action for Children to offer support to families with a history of problems living in the wider community. At the end of the placement an assessment is made as to whether a Scottish Secure Tenancy or a Short Scottish Secure Tenancy should be granted.

Applicants have the right to appeal any decision of this panel (see section 28).

8. **Keeping an Application Up To Date**

Applicants are required to advise the Housing Application and Advice Service of any change in their circumstances as soon as possible so that their application can be reviewed. A change of address may require a new application form to be completed. In all cases applicants should contact the Housing Application and Advice Service for advice.
9. Policy on False Information
If an applicant knowingly gives false information on a housing application, the application will be cancelled from the list. Any tenancy that has been granted on the basis of false information or where the applicant has withheld important information may be subject to legal proceedings for repossession and the tenants may be reported to Grampian Police should any criminal activity be suspected.

10. Re-registering an Application
Applicants are required to re-register their housing application once a year. However single applicants on the waiting list will be required to re-register every 6 months. When re-registration is due, applicants will be contacted and asked to confirm their application details. If an applicant fails to re-register, it is assumed that they no longer wish to be considered for housing and their housing application will be cancelled.

11. Tenancy Types
Listed below are the types of tenancy agreements which Aberdeen City Council may offer:-

11.1 Scottish Secure Tenancy (SST)
This is by far the most common tenancy granted by councils in Scotland. Unless a tenant abandons the tenancy or the council obtains a court order to end the tenancy, a SST will usually continue for as long as the tenant wishes.

11.2 Short Scottish Secure Tenancy (SSST)
This is a tenancy granted in specific circumstances for a minimum term of 6 months. At the end of the term of the SSST the landlord can:

- Offer a full SST (some types of SSST automatically convert to SSTs after 12 months);
- Offer a further SSST;
- Seek repossession.

In some types of Short SST the landlord must provide, or ensure the provision of, housing support services. If a prospective tenant is unwilling to cooperate with this support, the tenancy offer may be withdrawn.

12. Determining the Number of Bedrooms Required by a Household
Detailed below are the number of bedrooms for which various household types will qualify:-

- One bedroom is required for a single adult;
- One bedroom is required for an applicant and partner;
- One bedroom is required for two single related adults of the same sex, for example, two sisters, two brothers, where there is not 10 years or more difference between their ages;
- One bedroom is required for two elderly people of the same sex who choose to share a bedroom, who would not normally be expected to share a bedroom, for example, a mother and daughter;
• One bedroom is required for up to two children under eight years of age, regardless of the sexes of the children;
• One bedroom is required for up to two members of the householder’s family eight years of age or over of the same sex, where there is not 10 years or more difference between their ages;
• One bedroom each is required for a child under eight years of age and a child over eight years of age of different sexes, where they cannot share with any other child of the family;
• One bedroom each is required for the youngest and the next eldest child in the family of the same sex, where there is 10 years or more difference between their ages and they cannot share with any other child of the family;
• One bedroom is required for a member of the family where the Housing Need Assessment Team determines they should have their own bedroom.

**Other factors that are taken into account when determining the number of bedrooms required:**

• The maximum number of people who would be expected to share a bedroom would be two;
• An expected child will be included in the calculation of the number of bedrooms required;
• The age at which children of different sexes qualify to be in separate bedrooms is eight. For example, a child under eight years of age and a child over eight years of age of different sexes would be assessed as requiring separate bedrooms.

**Exceptions to the bedroom requirement rules.**

Applicants who have indicated a preference may be offered accommodation of a different size (larger or smaller) than they would normally qualify for in the following circumstances:

1. When no suitable applicants are identified requiring two bedroom accommodation, applicants requiring one bedroom accommodation will be considered. When no suitable applicants are identified requiring three bedroom accommodation, applicants requiring two bedroom accommodation will be considered followed by applicants requiring one bedroom.

2. Applicants who are currently in two bedroom accommodation or smaller and who require four bedrooms may be considered for three bedroom accommodation if they have stated that option.

**13. Areas of Choice**

This policy allows applicant’s unlimited choice from the 62 letting areas in the city; applicants can choose appropriate house types in these areas. Applicants will be considered for housing in accordance with these choices, provided the appropriate size of property is available in their chosen letting areas. Applicants can alter their choices of areas and house types at any time.

**13.1 House Types of Choice**

Applicants can choose house types from the general needs housing stock. These properties are generally not designed for applicants with specific needs, such as those requiring support or special design features.
Properties such as Amenity, Sheltered and Very Sheltered are generally for applicants of pensionable age.

Applicants who choose Amenity, Sheltered or Very Sheltered Housing will be assessed by the Housing Need Assessment Team who will take into account housing need and support requirements.

This assessment of need will identify the most appropriate house type for the applicant (i.e. Amenity, Sheltered or Very Sheltered) and that applicant will be placed on the relevant list.

14. Types of Households

14.1 Homeless People or People Threatened with Homelessness
Homeless people or people threatened with homelessness should seek the advice of the Homelessness Service, Housing and Environment, Marischal College, Aberdeen. The Service will assess applicants to determine whether they qualify for assistance in accordance with the Housing (Scotland) Act 1987 Part II as amended. If an applicant is assessed as priority homeless they will be placed on the Urgent Housing list in order of the date of their assessment and given up to two offers of accommodation anywhere in the city, unless there is an extreme reason why the applicant cannot be considered for certain letting areas. If both offers of accommodation are refused the council has discharged its duty.

14.2 Applicants Applying For Temporary Accommodation from a Designated Housing Renewal Area
The City Council may designate certain areas as Housing Renewal Areas, in order to improve the dwellings within the area to meet the legal requirements of the Housing (Scotland) Act 2006. To enable the upgrading of these dwellings to proceed, the City Council may assist landlords, owner occupiers and Aberdeen City Council tenants as detailed below.

14.2.1 Private Tenants
Where private landlords are unable to provide their tenants with alternative accommodation they may apply to the Council’s temporary flatted accommodation either in the same area or areas of similar urgent housing list for demand for the duration of the works.

14.2.2 Owner Occupiers
Owner occupiers within a Housing Renewal Area may be provided with temporary flatted accommodation either in the same area or areas of similar letting demand for the duration of works.

14.2.3 Aberdeen City Council Tenants
Where Aberdeen City Council tenants have to vacate a dwelling within a Housing Renewal Area they will be provided with temporary accommodation for the duration of the works. Such applicants will be placed on the Urgent Housing list. For all applicants in this category only temporary accommodation of a similar type and size within the same letting area will be offered if available. If this is not available a suitable alternative will be offered.
14.3 Applicants Applying For Temporary Accommodation Where a Work Notice Has Been Served By Aberdeen City Council

Where a Work Notice has been served by the City Council using powers under the Housing (Scotland) Act 2006, owners or part owners may be considered for temporary accommodation for the duration of the works. Such applications are placed on the Urgent Housing List. Temporary flatted accommodation of a similar size within the same letting area will be offered if available. If this is not available a suitable alternative will be offered.

14.4 Aberdeen City Council Tenants Who Are Being Given Temporary Accommodation While Essential Repairs or Improvements Are Carried Out

Aberdeen City Council will transfer its own tenants to another property on a temporary basis while essential repairs or improvements are being carried out, where it would be unreasonable to expect the tenants to continue to reside in their tenancy. Such applicants are placed on the Urgent Housing List. If a similar size and type of accommodation within the same letting area is available it will be offered. Otherwise accommodation of the same type and size in an area of similar letting demand will be offered.

14.5 Application from Two Households Wishing To Be Housed Together

Where an application is received from two separate households wishing to be housed together in a larger or more suitable house, the application will be assessed as though both households were already living together. Any housing points will be awarded based on the accommodation currently occupied that best meets their housing need.

15. Next Stage Housing Applicants

Aberdeen City Council participates in the Next Stage Housing Group which meets quarterly to consider the housing needs of current housing applicants who require a planned move to supported housing. Referred applicants from relevant agencies, if accepted, are placed on the Urgent Housing List and awarded priority status for up to two offers of suitable housing. They may indicate in which of the Council’s housing areas they wish offers to be made. If both offers are refused priority status will be lost.

16. Looked after Children

Young people over the age of 16 who require permanent housing and who are looked after by Aberdeen City Council will have their accommodation needs jointly assessed by the Social Care and Wellbeing and Housing and Environment services to ensure the appropriate supports are in place and realistic housing choices have been made. The assessment will be then be jointly agreed by the respective section Heads of Service. Such applications will be given preference over all other applications for offers of housing.

17. Support Needs

Applications for rehousing from a single person or a couple requiring support to remain in their own homes will be assessed by the Housing Need Assessment Team in conjunction with Social Care and Wellbeing and other professionals to determine the best option for the applicant(s).

If the assessment finds that the applicant requires to be rehoused then the appropriate level of priority will be awarded for housing in the letting area nearest the supportive relative or other letting areas as determined the Housing Need Assessment Team.
If the applicants’ housing is suitable but support is required the Housing Need Assessment Team will refer the case to Social Care and Wellbeing who will assess the level of support and who should provide such support.

If it is determined by the Housing Need Assessment Team in conjunction with Social Care and Wellbeing that a supportive relative is best placed to deliver this support, the supportive relative will be offered appropriate housing in the letting area where the applicant lives when the applicant’s application qualifies for an offer. If the supportive relative’s required house size and type is not available in the area in which the applicant’s lives then an adjoining area will be substituted.

If the applicant’s supportive relative is not a current tenant of Aberdeen City Council, the case will be referred to the Selections Co-ordinator to determine whether the application is acceptable under this policy. The supportive relative will be offered flatted accommodation of an appropriate size in the letting area where the applicant lives when the applicant qualifies for an offer. If flatted accommodation of the appropriate size is not available in that letting area then an adjoining letting area will be substituted.

18. Housing Lists and Points

The four main lists are as follows:

- Urgent Housing Need - Priority by Assessment
- Housing with Support (Amenity/Sheltered/Very Sheltered/High Support) - Priority by Assessment
- Transfers - Priority by Points
- Waiting - Priority by Points

Applicants on the Urgent Housing Need list are prioritised by way of an assessment process and ranked in order of the date of their priority award.

The Housing with Support list is also prioritised by an assessment process and applicants are placed in one of the following categories and are further prioritised by the date of their priority award.

- High
- Moderate
- Low

Applicants on the Transfer and Waiting lists are prioritised by awarding points, based on the current housing circumstances. Applicants who have the same number of points will be further prioritised by the date of acceptance of the application. Full details of the point’s award can be found in section 19.4.
19. **Housing Lists and Offers Process**

Vacancies are allocated between the three lists using a quota system based on the relative demand between those lists for letting area, house type and size. Quotas are therefore subject to change over time as demand changes.

### 19.1 Urgent Housing Need List

Applicants will be placed on this list if they are:

**Emergency Homeless:** Applications from persons who are emergency homeless through fire, flood or other natural disaster will be given highest priority.

**All Statutory Homeless:** Determined by a Homeless Assessment carried out in accordance with the terms of Part II of the Housing (Scotland) Act 1987 as amended. There is a statutory right of appeal for applicants who do not agree with an assessment decision.

**Statutory Notice Applicants:** Applicants requiring permanent accommodation because of a Closing Order, Demolition Order or a Compulsory Purchase Order are placed on this list. A maximum of two offers of accommodation will be made.

**Committee and Discretionary cases:** Determined by Priority Criteria the Head of Service for cases where the applicant requires an urgent transfer from their current accommodation including applicants qualifying for the Downsizing scheme or applications awarded Committee priority by the Housing Cases Review Sub Committee.

**Extreme Medical Need:** Determined by the Housing Need Assessment Team i.e.

- The household cannot access their current accommodation due to extreme health issues and it is not practical to adapt their present home to meet their needs and where a move will significantly improve their quality of life.
  
  OR

- To allow discharge from Hospital where their current accommodation is totally unsuitable due to extreme health issues and it is not practical to adapt their present home to meet their needs and where a move will significantly improve their quality of life.
  
  OR

- Where the current accommodation coupled with the applicant’s extreme health issues make a move imperative in order to reduce significantly the risk of injury to the applicant.
  
  OR

- Where the applicants present home makes essential activities of daily living impossible and it is not practical to adapt their home to meet their needs.

Application will normally be placed on the list according to the date their priority was awarded but may be given additional priority in exceptional situations.
19.2 Housing with Support List - Amenity, Sheltered, Very Sheltered and High Support

AMENITY HOUSING
Generally available to applicants of a particular age group generally 55+, who have been assessed as having health problems which are adversely affected by their current living circumstances. Amenity can have similar facilities to those in sheltered housing, but is not in a purpose-built complex and does not generally have common areas for tenants to gather, or a senior carer service.

Important Information for Sheltered, Very Sheltered and High Support applicants
The housing support service which is the core service provided in sheltered, very sheltered and high support housing is a chargeable service. The maximum weekly charge is currently £19.70 for sheltered and £29.26 for very sheltered and high support housing, an individuals contribution towards the cost of service provision is calculated following the completion of a financial assessment, which considers the individuals income, including capital. The calculation of an individuals contribution will also consider an individuals allowable expenditure (contribution towards housing costs) and a personal allowance based on their circumstances. If you require further information please contact the Supporting People team on 523791 or email gbrown@aberdeencity.gov.uk

SHELTERED HOUSING
Sheltered properties have special facilities to make life more comfortable and safer for tenants, including a carer service. They are intended for people of pensionable age who have been assessed as having significant health issues and adverse social circumstances which would be significantly improved by living in this type of housing.

VERY SHELTERED HOUSING
Very Sheltered housing provides tenants with special facilities over and above those provided by sheltered housing in order to make life more comfortable and safer for the most vulnerable tenants, these including a carer service and the provision of a midday meal. This type of supported housing are intended for people of pensionable age who have been assessed as having severe health issues and adverse social circumstances which would be significantly improved by living in this type of housing.

HIGH SUPPORT HOUSING
High Support Housing provides tenants with special facilities over and above those provided by sheltered housing in order to make life more comfortable and safer for the most vulnerable tenants, these include a carer service and the provision of a midday meal. This type of supported housing are intended for people of any age group who have been assessed as having severe health issues and adverse social circumstances which would be significantly improved by living in this type of housing.

Applicants placed on this list will have been assessed by the Housing Need Assessment Team and placed in one of the following priority categories for the appropriate house type.

- High
- Moderate
- Low
All applicants placed on this list will then be queued in order of the date of their priority award within that category. If an applicant is re-assessed and is awarded a higher or lower priority then they will be queued on the appropriate list by the date of that new award.

Applicants will be assessed as follows:-

**High**
- Produce an extreme improvement in the individual’s quality of life
- Substantially reduce the risk of physical injury
- Where the applicants present home makes essential activities of daily living impossible and it is not practical to adapt their home to meet their needs

**Medium**
- Produce a significant improvement in the individual’s quality of life.
- Reduce the risk of physical injury
- Where the applicants present home makes essential activities of daily living very difficult and it is not practical to adapt their home to meet their needs

**Low**
- Produce an improvement in the individual’s quality of life.
- Reduce the risk of physical injury
- Where the applicants present home makes essential activities of daily living difficult and it is not practical to adapt their home to meet their needs

19.3 Transfer list
Applicants will be placed on this list if they are;
- A tenant of Aberdeen City Council; or
- A tenant of a Registered Social Landlord living in Aberdeen

Applications where joint tenants wish to be rehoused separately are assessed in accordance with the Waiting List criteria. In these circumstances housing need is assessed on the basis that the people requesting to be rehoused are considered to be occupying half the number of rooms in the property. Should both joint tenants wish to be rehoused, one of the tenants is assessed under Waiting List criteria and the other under Transfer List criteria. It is the responsibility of the joint tenants to decide who will be considered under which list.

Applicants on the Transfer list may be considered for all types of accommodation with the exception of Amenity, Sheltered and Very Sheltered Housing. Applicants are prioritised by the number of points they have been awarded. Applicants who have the same number of points will be further prioritised by the date of acceptance of the application.
## Description

• Occupy a property through Shared Ownership

We will assess applicants on the basis of the points categories outlined below.
Applicants will be placed on the waiting list in order of the applicant with the highest combined points total (most need). Where more than one applicant has the same level of points, the date of the application for housing will be used to determine the priority placing on the list.

Applications from persons who are not either tenants of Aberdeen City Council or tenants of a Registered Social Landlord who live in Aberdeen will be placed on this list.

An applicant living with a partner who is a joint tenant or has occupancy rights to their current property will be pointed as if occupying half their current accommodation if applying for housing on their own.

Applicants occupying a separate home but threatened with homelessness within the next 56 days will be referred to the Homeless Prevention team.

Applicants on this list may be considered for all types of accommodation with the exception of Amenity, Sheltered and Very Sheltered housing.

Applications from single people or a couple will not be awarded room deficiency points under the waiting list where they do not have a secure tenancy.

Applications from a joint tenant of a Local Authority or another Registered Social Landlord who no longer reside at the tenancy address will have their application deferred until such time as the joint tenancy has been resolved.

20. Downsizing Incentive Scheme
The Council operates an incentive scheme aimed at assisting tenants who are under occupying their current home to move to smaller accommodation. Applications will be accepted from Aberdeen City Council tenants who are occupying properties with 3 or more bedrooms. The Council offers a grant of £1,000 per bedroom surrendered with an offer of alternative accommodation in areas of similar letting demand to the one the applicant currently lives in. Amenity, Sheltered and Very Sheltered Housing are not included as a re-housing option. Ground floor accommodation will only be allocated if the applicant has a ground floor recommendation or there is no demand for that house type. Please contact your Area Housing Assistant who will help you complete the Downsizing application forms.

21. Other Housing Options

Mutual Exchange
A mutual exchange is where a tenant of Aberdeen City Council wants to swap houses with another tenant of this Council or a tenant of a Registered Social Landlord or Housing Cooperative or a tenant of another Council.

By exchanging homes applicants may be able to find the home that best suits their family needs without having to wait on the Council housing lists.

Note:
1. Tenants wishing to exchange must complete mutual exchange forms.
2. Flatted accommodation is defined as tenement flats, multi-storey flats, split level flats and maisonettes (i.e. flats with internal stairs).

• Aberdeen City Council’s House Exchange website has been designed to bring tenants who live in Aberdeen City and are looking to exchange their homes together. Applicants who are considering moving away from Aberdeen City can also search for tenants who live in other parts of the country.
• Applicants can register on the housingexchange.org.uk website by clicking on the ‘register’ button which can be found on the left hand menu. It is easy to register and free to Aberdeen City Council tenants.

• If applicants have a live housing application and have indicated their interest in considering a mutual exchange, they can also request a list of tenants whose properties match their requirements, and who have indicated that they would be interested in exchanging to the type and size of property they currently occupy.

• **Please note that an applicant will need to be a Scottish Secure Tenant or Short Scottish Secure Tenant if their mutual exchange request is to be considered.**

• Applicants can also advertise in the local paper or alternatively place an advert in the local supermarket or shops.

• It is possible for more than two households to exchange with each other where appropriate.

**Some exceptions:**

• Exchanges will not be approved involving owner/occupiers or tenants of a private sector landlord.

• Applicants wishing to exchange must satisfy themselves that the property to which they wish to exchange meets any medical requirements they may have. However, where the property has been adapted to meet a particular medical requirement, the proposed exchange may be referred to the Council’s Housing Need Assessment Team. If it is considered that the proposed exchange does not make the best use of the adapted property the exchange may not be permitted. Applicants who, for medical reasons, require adaptations to the property to which they wish to exchange, must contact the Housing Need Assessment Team for approval prior to applying for the mutual exchange.

• Normally the sizes of the properties proposing to be exchanged must comply with this policy’s bedroom requirements as detailed in section 12 however people wanting to exchange from a three bedroom property to another three bedroom property would be allowed even if they require a four bedroom property.

• Applicants may be allowed to exchange to accommodation larger than they require subject to Council approval: We will allow any tenant to exchange to one bedroom more than they require regardless of the type of accommodation.

• The Council may refuse an exchange if, for example, unauthorised alterations have been made to the property.

**When an applicant finds someone to exchange with, they should**

• Contact them and make arrangements to visit each others home.

• Inspect the other person’s house carefully and make sure they are happy with the condition of it. The Council will not be responsible for any decoration needed or for carrying out any repairs which are the tenants’ responsibility.

• If all parties decide, after viewing, that they wish to proceed with the exchange then they must both complete a Mutual Exchange application form. These can be obtained from local housing offices or by downloading a Mutual Exchange form from the Council website.
Aberdeen City Council will:

- Ensure both properties are inspected to see that they are in good condition.

- Check the size of the houses to make sure that there will be no overcrowding issues or excessive under occupation.

- Check that all applicants have clear rent accounts and that there are no other housing related debts owed to the Council.

- Check to ensure that all tenancies have been conducted in a satisfactory manner and that there are no breaches of the tenancy agreement which may prohibit the exchange.

- By law Aberdeen City Council must give the applicants a decision within twenty eight days of the applications being received from all the parties.

- If consenting to the exchange, all parties will be required to sign new tenancy agreements for their new houses. **Applicants must not move until they have signed their new tenancy agreement.**

- Not refuse consent to exchange without reasonable grounds.

- Not agree to the exchange unless the house which the applicants want to move to is suitable for the whole household.

- Advise applicants that, if they do not agree with the Council’s refusal, they can appeal in writing to the Selections Coordinator. The Selections Coordinator will advise them of the decision on the appeal, within ten working days.

- Where there has been a change in the circumstances of any applicant prior to tenancy agreements being signed, consider whether consent to exchange should be withdrawn.

Aberdeen City Council’s housing is not the only option which may be available to provide for your housing needs. If you would like to find out more please contact the Housing Application and Advice Service and ask for ‘Housing Options Advice’ or click on the link to visit our online Options pages.

**22. Nominations**

Aberdeen City Council has agreements with some of the housing associations in the city to allocate 50% of their vacant properties to applicants from the Council’s housing lists. These allocations are known as ‘nominations’. These agreements are monitored and reviewed annually. Applicants wishing to be considered for nomination to these housing associations must indicate so by completing the appropriate section of the application form.

**23. Offer Restrictions**

Notwithstanding the order of priority, certain restrictions will apply when selecting applicants for a vacancy as follows:
Properties on the ground floor that have five or less access steps will be offered to applicants who have a recommendation for ground floor accommodation as determined by the Housing Need Assessment Team. Where a property has been adapted or can be adapted to suit applicants with special needs, for example wheelchair users, priority is given to applicants who have a need for this type of accommodation. Any prospective offer would be subject to assessment by an Occupational Therapist.

Applicants will only be considered for one offer at a time. Applicants whose applications are deferred will not be considered for an offer of accommodation until the deferment has expired.

Applicants should note that in some accommodation cats and dogs are banned, with the exception of guide dogs and hearing dogs therefore applicants who have a cat or dog will not be considered for these pet ban properties. A leaflet is available providing details of properties where dogs and cats are not permitted.

In properties where there is no pet ban, only one dog or one cat is permitted in an individual flat or house with special permission being required for unusual or exotic pets.

**24. Delegated Powers**
Aberdeen City Council recognises that very occasionally an applicant may have exceptional housing circumstances which fall outwith the points scheme. In these rare situations applicants may be offered re-housing through powers delegated to senior officers within the Housing Service. The delegated powers are listed in appendix 1 or can be obtained from the local housing office. All applications under delegated powers will be checked and authorised by the Housing Service’s Quality Assurance and Performance Management section.

**25. Applicants with Housing Related Debts**
At the time of applying for an Aberdeen City Council home all applicants will be advised by the Housing Application and Advice Service of any housing related debts that may affect their entitlement to housing and the action they should take to address the debts. Applications will be deferred until the applicant provides evidence that the identified debts have been satisfactorily addressed. Further checks on housing related debt will be carried out should an applicant subsequently qualify for an offer of housing. Applicants will be advised whether these checks affect their entitlement to housing.

**25.1 Arrears at the time of offer – current tenants of Aberdeen City Council**
At the time of offer, and for an offer to proceed, the current tenancy must be deemed to have been conducted in a satisfactory manner and the rent account for the current tenancy must be clear or have no more than one month’s rent outstanding. If a current tenant has other housing debts relating to their tenancy, for example, legal expenses or charges for repairs to the property (which are known as tenant recharges), there must be an arrangement in place to make payments to clear the amount. Each arrangement must have been maintained for at least three consecutive months before the date of the offer.

**25.2 Debt relating to a former tenancy**
If a current or former tenant of Aberdeen City Council has rent arrears, legal expenses, tenant recharges or other debts from a former Aberdeen City Council tenancy, the following must apply for an offer to proceed:
25.3 Private Tenants
An offer of accommodation may be withheld if the applicant is a tenant of a private landlord and cannot provide proof of maintenance of satisfactory rent payments.

If the applicant is the tenant of a private landlord and cannot provide proof of maintenance of satisfactory rent payments, their application will be deferred for a specified period.

26. Checks Made at Offer
Applications selected for an Aberdeen City Council tenancy will be checked for accuracy at the time of offer. If there has been a change to the information held that affects the application any offer of housing may be withheld. In addition, the applicant’s current accommodation may be inspected where appropriate.

An offer may be withheld if the applicant(s):
- Displays threatening or aggressive behaviour towards Aberdeen City Council staff;
- Has been the subject of verified complaints of antisocial behaviour;
- Displays evidence of substance abuse;
- Is subject to immigration control or no longer has the right to reside in the UK.

The applicant will be notified in writing of the reasons and any action they are required to take. On expiry of the deferral staff will carry out a follow-up visit to confirm the applicant’s suitability for further offers of housing.

27. Deferment for ‘inappropriate’ refusal of offer
If an applicant refuses two offers for inappropriate reasons, their application will be deferred from the housing lists for a period of 12 months. Applicants will be advised if the reason they have given for refusal is considered an inappropriate reason. This will usually be refusing an offer even though it meets the requirements the applicant specified in their application. An example of this might be refusing a property because it is in a particular housing area, where the applicant has advised the Housing Application and Advice Service that they wish to be considered for that property type in that area. A list of appropriate and inappropriate refusal reasons can be found in appendix 2.
28. Access to Personal Information and Files
Applicants have the right to view the information that Aberdeen City Council holds in relation to their housing application. Applicants wishing to view their housing application file are required to complete a Council Access to Information form and pay an administrative fee (currently £10). Please contact:

Information Management Liaison Officer
Housing and Environment, Aberdeen City Council, Business Hub 11, Second Floor, Marischal College, Broad Street, Aberdeen AB10 1AB
Telephone: 01224 523737

29. Appeals Procedure
All applicants have the right to appeal a decision made in connection with their housing application. Appeals against the processing of an application or an offer of accommodation from the general lists should be addressed to the Housing Application and Advice Service within 14 days of the decision. The Housing Application and Advice Service will aim to respond with 14 days of receipt.

Appeals against a homelessness decision or a homelessness offer should go to the Homelessness Team.

Where applicants are dissatisfied with the response they receive, they can refer the matter to the Scottish Public Service Ombudsman for investigation.

Applicants can contact the Ombudsman by writing to:
SPSO
4 Melville Street, Edinburgh
EH3 7NS
Email: ask@spo.org.uk
Telephone: 0800 377 7330

30. Monitoring
Monitoring the impact of the policy is carried out by the Council via the Reporting Framework for Housing Services. Statutory, key and local performance indicators have been established covering the following measures:

- Average time from presentation as homeless to completion of homeless duty;
- Average length of stay in temporary homeless accommodation;
- Average time to relet empty properties (referred to as voids);
- Net voids as a percentage (%) of stock;
- Number of applications on Waiting, Transfer and Housing with Support lists;
- Average time to process Housing Applications;
- Percentage (%) of offers of accommodation accepted;
- Equal opportunities.

Aberdeen City Council regularly reviews its policy to take account of changing legislation, changes in the supply of and demand for housing and any other factors that have an impact on the way housing need is determined or properties are allocated.
Appendix 1

40. To grant delegated powers to the Director of Housing and Environment to assess individual kinship carer applications on a case by case basis and grant increased priority where the need for alternative accommodation is of an urgent nature, applicants who are currently council tenants or tenants of a Registered Social Landlord within the city may be offered properties of a similar type in areas of similar letting demand.
