

Installation of Satellite Dishes Questionnaire

To help us decide whether or not you need planning permission for the satellite dish you propose, please answer the following questions. If, on the basis of what you tell us, you need planning permission we will let you have the necessary forms and guidance to make a planning application. If, on the basis of what you tell us, you do not need planning permission we will write to tell you so. This questionnaire is designed to help us give you **informal advice**.

It is **not** a planning application form and any response we give, on the basis of the information you give us, is without prejudice to formal planning procedures.

1. Please state your name and address _____

Postcode _____ Telephone No. _____ Fax No. _____

2. What is the address of the property where you wish to install the dish? _____

3. Is the property -

(a) a dwellinghouse? Yes No

(b) a flat? Yes No

(c) a non-residential property? Yes No

If (c) please state use of property _____

4. How many satellite dishes (**not** including the one you are applying for) are there at present on the house, (if not a flat), tenement block, block of flats, or non-residential building? _____

5. What would be the diameter of the dish you are applying for? _____ cm

6. Would the dish be mounted on any part of the building facing a road? Yes No

7. What would be the combined measurement of the dish and its mounting bracket -

(a) from top to bottom? _____ cm; and

(b) from front to back? _____ cm

8. Would the top edge of the dish or its mounting bracket be higher than the top edge of the roof of the building on which it is to be positioned?

Yes No

9. Is any structure (e.g. a pole) proposed to support the dish? Yes No

If Yes -

(i) would the structure be -

(a) situated on the ground?; or Yes No

(b) mounted on a building? Yes No

(ii) if the structure is to be mounted on a building please state -

(a) which building (e.g. main building, shed etc.)? _____

(b) maximum height of the structure above ground level - _____ metres

(c) how high the structure itself would be - _____ metres

10. Please supply sketch drawings showing -

- (a) **Where the property is in relation to nearby streets;** and
(b) **Where you intend to position the dish on the building or within its boundaries**

11. Would the proposed dish function properly if it were in a different position on your building?

Yes

No

If Yes please indicate possible alternative positions on your sketch drawings

If No please state why not _____

The completed questionnaire and any accompanying sketches should be returned to:
