Development Bid Reference B0944 Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons.

As a regular user of this road network, given that my family live nearby on North Deeside Road, I strongly support this development. There is no disputing that the current heavy use of Westerton Road and Pitfodels Station Road as through roads between North Deeside Road and Inchgarth Road is unsafe to motorists, pedestrians and cyclists. It is definitely hazardous to the residents of these roads and in the streets nearby which are treated as rat runs to get to Westerton Road. This development gives everyone living and travelling in this area an excellent solution not only by providing a new fit for purpose road link but by providing housing for the elderly and the provision of managed park land in what is currently neglected wasteland.
