Comments on Main Issues Report Bid Reference B0944 - Inchgarth Road.

I support this bid for the same reasons which I sent in support for the planning application as detailed below.

Housing - it will create a leading example of an all purpose retirement village meeting the housing/accommodation needs of the elderly residents in our area by way of a mix of suitable smaller homes.

Community - it will create a bespoke Community which will hopefully provide an opportunity to alleviate some of the loneliness experienced in later life.

Health and Wel being - it proposes amenities such as a new GP practice, chemist and physiotherapist all in demand by our older residents. Any additional amenities in our area should be welcomed.

Roads - it provides for a new, fit for purpose link road between North Deeside Road and Inchgarth Road which will ease the pressure on the roads currently used but not coping with the traffic. They are extremely dangerous.

Paths - it proposes better access to the Deeside Way.

Environment - it opens up use of a public open space which is currently in private ownership.
