

25 June to 27 August 2022

Name

Library card

School /Nursery (if applicable)

Celebrate Scotland's Year of Stories this summer with Library Bear on his World Tour!

For every book read or challenge completed, Library Bear will travel 20 miles around the World. The more books you read or challenges you complete; the further Library Bear can travel!

Can you help Library Bear get all the way around the world and home before the summer ends?

HOW DO I TAKE PART

Complete as many of our challenges or read/listen to as many books as possible; log your progress and claim your miles to help send Library Bear on his way.

All kinds of reading count: picture books, fiction, non-fiction, e-books, talking books, magazines, news articles... anything you enjoy. Challenges will be released weekly, so look out for your next activity. We will also be hosting some fantastic free events in libraries throughout the summer.

HOW DO I LOG MY MILES?

'Claim' your miles at your nearest library or via our online form. Alternatively, use this card to record your progress over the summer and return it to any Aberdeen City Library or email it to us at libraryevents@aberdeencity.gov.uk before the challenge ends on Saturday 27 August.

All participants will be entered into a prize draw with additional prize draws for those who help Library Bear travel the furthest.

Full details are available on our website www.aberdeencity.gov.uk/aberdeenreads

RECORD YOUR PROGRESS HERE

Use the space below to record what you have read and/or the challenges you complete.

Use **#AberdeenReads** to share your challenges or what you are reading via
Aberdeen City Libraries' Facebook or Twitter, or email
libraryevents@aberdeencity.gov.uk
