

Suitability Assessment - Primary

School:	Hanover Street Primary
Assessor:	Debbie Moir
Date of assessment:	07.09.12

Guidance for completing assessment worksheets

1. Enter the name of the school in the cell above - this will then automatically add the school name to all the worksheets. You should also enter the name of the person who carried out the assessment and the date on which it was completed.

2. The sheets must be completed in accordance with the Guidance provided in the Scottish Government publication The Suitability Core Fact. This is available to download from the Scottish Government website - www.scotland.gov.uk/schoolestate. Further hard copies are available from the school estate team: e-mail schoolestate@scotland.gsi.gov.uk, or call 0131 244 0877.

3. The definition of each of the ratings is as follows:

A: Good – Performing well and operating efficiently (the school buildings and grounds support the delivery of services to children and communities)

B: Satisfactory – Performing well but with minor problems (the school buildings and grounds generally support the delivery of services to children and communities)

C: Poor – Showing major problems and/or not operating optimally (the school buildings and grounds impede the delivery of activities that are needed for children and communities in the school)

D: Bad – Does not support the delivery of services to children and communities (the school buildings and grounds seriously impede the delivery of activities that are needed for children and communities in the school)

4. Weightings have been applied to each of the Areas to reflect the relative importance of these e.g. in all schools the Weighting for Learning and Teaching is 50%. All calculations are carried out automatically upon completion of the relevant section.

5. Illustrations are provided on each worksheet for categories “A” and “C”. Each of the illustrations, in respective order, relates specifically to the factors which are listed beneath.

6. Once the ratings for each of the factors for each of the areas have been entered into the worksheets, they are automatically collated in the final two worksheets - one which presents the results by factors, and one which presents the results in an Overall Ratings Matrix.

7. While all of the information gathered will be of interest and value to Local Authorities in terms of efficient Schools Estate Management Planning, only the overall Suitability Rating for each school will be passed on to the Scottish Government as part of the annual collection of school estate statistics.

Suitability Assessment - Primary schools

School: Hanover Street Primary

Area: **Learning and Teaching Spaces** (e.g. classrooms, areas for group work/private study, internal and external P.E. / games areas)

Weighting: 50%

Method: *Assess the fitness for purpose of the area by assigning a rating from A to D to each factor, taking account of the illustrations below. The ratings will be aggregated automatically by the electronic spreadsheet to give an overall suitability assessment for the area.*

Illustrations:	Category A:
	Spaces are suitable for all functions/activities that are conducted within them.
	Spaces are conveniently located within the building for access to other areas and for disabled access.
	Spaces are comfortable for users and conditions are conducive to learning and teaching.
	Spaces are safe and reasonably risk-free, with secure areas as required.
	Spaces are fitted out appropriately for activities conducted within them.
	Category C:
	Many spaces are unsuitable for some of the functions/activities that are conducted within them on a regular basis.
	Spaces are often located at an inconvenient distance from each other and there is not disabled access to all curriculum areas. Some areas are off-campus.
	Many spaces are uncomfortable for users, with conditions which may inhibit or distract from learning and teaching.
	There are significant unsafe aspects to some areas, and security is incomplete.
	Many spaces lack some necessary fittings for activities conducted within them.

Factor:	Functionality	A	4
	<i>e.g. shape, size, flexibility, changing facilities, lighting</i>		
	Accessibility	A	4
	<i>e.g. ease of access for all, disabled changing facilities & equipment, on/off campus, travel time</i>		
	Environmental Conditions	B	3
	<i>e.g. temperature, acoustics, ventilation, natural light, controllability, playing surfaces</i>		
	Safety & Security	B	3
	<i>e.g. windows, fire doors, heat source, surfaces, perimeter security</i>		
	Fixed Furniture & Fittings	A	4
	<i>e.g. IT infrastructure, storage, display boards, power points, all-weather facilities</i>		
	Overall Rating:	A	18
	<i>5-7 = D, 8-12 = C, 13-17 = B, 18-20 = A</i>		

Comments:

Please comment on any issues of particular concern including any aspect which you have rated as “D” .

--

Suitability Assessment - Primary schools

School: Hanover Street Primary

Area: Internal Social Spaces (e.g pupil social areas, dining, common rooms, staffrooms)

Weight: 15%

Method: Assess the fitness for purpose of the area by assigning a rating from A to D to each factor, taking account of the illustrations below. The ratings will be aggregated automatically by the electronic spreadsheet to give an overall suitability assessment for the area.

Illustrations:	Category A:
	There are a good range of internal social spaces allowing all to engage in individual or group activities, in out-of-class time.
	Social spaces are available throughout the school and the allocation of these takes account of age, stage and disability issues
	Internal social spaces are maintained at an appropriate temperature, are well ventilated and benefit from natural light
	Social spaces are safe and reasonably risk-free, with secure areas as required.
	Fixed furnishings and equipment help facilitate socialising and relaxation
	Category C:
	Internal Social Spaces exist but are limited in number and range
	Internal Social Spaces are concentrated in one area of the school and tend to be crowded at break times. Disabled access is possible but difficult.
	Internal social spaces would benefit from better temperature control, better ventilation and more natural light.
	While generally safe and reasonably risk-free, some social areas are secluded.
	The internal social areas have little appropriate fixed furniture and equipment.

Factor:	Functionality	B	3
	e.g. shape, size and range, lighting		
	Accessibility	B	3
	e.g. ease of access for all, age/stage appropriate space		
	Environmental Conditions	B	3
	e.g. temperature, acoustics, ventilation, natural light, controllability		
	Safety & Security	A	4
	e.g. observed areas, age/stage separation, windows, fire doors, CCTV		
	Fixed Furniture & Fittings	B	3
	e.g. Fixed equipment/ fittings for leisure activities/ private study, rubbish bins.		
	Overall Rating:	B	16
	5-7 = D, 8-12 = C, 13-17 = B, 18-20 = A		

Comments:

Please comment on any issues of particular concern including any aspect which you have rated as “D” .

--

Suitability Assessment - Primary schools

School: Hanover Street Primary

Area: **Internal Facilities** (e.g. reception/ administration/ office/ meeting/ circulation space, resource/ staff bases, library, toilets)

Weight: 15%

Method: *Assess the fitness for purpose of the area by assigning a rating from A to D to each factor, taking account of the illustrations below. The ratings will be aggregated automatically by the electronic spreadsheet to give an overall suitability assessment for the area.*

Illustrations:	Category A:
	Reception area, administrative and office accommodation are appropriate. Toilets are user friendly, offering dignity and privacy.
	The location of these facilities within the building offers easy access to all including those with disabilities.
	Internal facilities are maintained at an appropriate temperature and are well ventilated. Noisy equipment e.g photocopiers are housed separately
	Areas are safe and reasonably risk-free.
	Fittings in all areas are of good quality
	Category C:
	The number of toilets, while adequate, is not ideal. The number of offices, while adequate, is not ideal.
	Office/administrative space is often unavailable. Toilets are in blocks and not on each level nor adjacent to each teaching area.
	These facilities would benefit from better temperature control, better ventilation. A significant number have no natural light.
	The design of the toilet blocks creates some insecurity among the users.
	Fixed furniture and fittings are dated and would benefit from upgrading

Factor:	Functionality	B	3
	<i>e.g. number, shape, size, range, privacy, lighting</i>		
	Accessibility	B	3
	<i>e.g. Ease of access for all</i>		
	Environmental Conditions	B	3
	<i>e.g. temperature, acoustics, ventilation, natural light, controllability</i>		
	Safety & Security	B	3
	<i>e.g. secure access control, observed areas, age/stage separation, CCTV</i>		
	Fixed Furniture & Fittings	B	3
	<i>e.g. reception window/desk, sanitary ware, fixed office equipment</i>		
	Overall Rating:	B	15
	<i>5-7 = D, 8-12 = C, 13-17 = B, 18-20 = A</i>		

Comments:

Please comment on any issues of particular concern including any aspect which you have rated as 'D' .

Suitability Assessment - Primary schools

School: Hanover Street Primary

Area: External Social Spaces (e.g. play, covered, seated areas)

Weight: 10%

Method: Assess the fitness for purpose of the area by assigning a rating from A to D to each factor, taking account of the illustrations below. The ratings will be aggregated automatically by the electronic spreadsheet to give an overall suitability assessment for the area.

Illustrations:	Category A:
	There are a good range of open and covered external social spaces allowing all to engage in individual or group games/activities, in out-of-class time.
	These spaces are adjacent to the school and offer easy access to all. There is adequate room for appropriate age/stage separation
	The location of these facilities is not compromised by particular external environmental factors.
	These spaces are secure and easily observed.
	Appropriate fixed furniture and equipment is provided. Toilet access is adjacent.
	Category C:
	External Social Spaces exist but are limited in number and range
	External Social Spaces are concentrated in one area of the school and tend to be crowded at break times. Disabled access is possible but not convenient.
	The adjacency of e.g. a main road, railway, flight path affects this area.
	While generally safe and reasonably risk-free, the perimeter fencing is not entirely secure. Some areas are not easily observed.
	The external social areas have limited fixed furniture or equipment. Toilet access is at a distance.

Factor:	Functionality	C	2
	e.g. size, shape, number		
	Accessibility	A	4
	e.g. ease of access for all, space age/stage appropriate		
	Environmental Conditions	A	4
	e.g. reference to any external factors affecting the area		
	Safety & Security	B	3
	e.g. surfaces, perimeter fencing, ease of observation, CCTV		
	Fixed Furniture & Fittings	B	3
	e.g. benches, play equipment, toilets, rubbish bins		
	Overall Rating:	B	16
	5-7 = D, 8-12 = C, 13-17 = B, 18-20 = A		

Comments:	Please comment on any issues of particular concern including any aspect which you have rated as "D" .

Suitability Assessment - Primary schools

School: Hanover Street Primary

Area: External Facilities (e.g. car parks, bike sheds, drop-off areas, storage facilities)

Weight: 10%

Method: Assess the fitness for purpose of the area by assigning a rating from A to D to each factor, taking account of the illustrations below. The ratings will be aggregated automatically by the electronic spreadsheet to give an overall suitability assessment for the area.

Illustrations:	Category A:
	Areas are suitable for all functions/activities that are conducted within them.
	Areas are easily accessed by all users.
	The location of these facilities is not compromised by particular external environmental factors.
	Spaces are safe and reasonably risk-free, there is an effective traffic management system and there is appropriate perimeter fencing.
	Spaces are fitted out appropriately for activities conducted within them.
	Category C:
	Some areas are unsuitable for some of the functions/activities that are conducted within them on a regular basis.
	Some areas are located at an inconvenient distance from each other. Some facilities are of campus.
	The adjacency of e.g. a main road, railway, flight path affects this area.
	While generally safe and reasonably risk-free, the perimeter fencing is not entirely secure.
	Spaces are lacking in equipment

Factor:	Functionality	C	2
	e.g. size, layout, lighting		
	Accessibility	B	3
	e.g. ease of access for all		
	Environmental Conditions	B	3
	e.g. reference to any external factors affecting the area		
	Safety & Security	B	3
	e.g. surfaces, perimeter fencing, ease of observation, security lighting, CCTV		
	Fixed Furniture & Fittings	B	3
	e.g. signage, marked parking bays, bike racks, bin stores		
	Overall Rating:	B	14
	5-7 = D, 8-12 = C, 13-17 = B, 18-20 = A		

Comments: Please comment on any issues of particular concern including any aspect which you have rated as 'D' .

Suitability Assessment - collated factors

This sheet is for authority use, to allow the identification of themes across the school.

School: Hanover Street Primary

Overall Suitability rating: B

Functionality					
	Rating	Number	Weighting	Total	
Learning & Teaching Spaces	A	4	0.50	2.00	
Internal Social Spaces	B	3	0.15	0.45	
Internal Facilities	B	3	0.15	0.45	
External Social Spaces	C	2	0.10	0.20	
External Facilities	C	2	0.10	0.20	
Overall Rating:				3.30	B

Accessibility					
	Rating	Number	Weighting	Total	
Learning & Teaching Spaces	A	4	0.50	2.00	
Internal Social Spaces	B	3	0.15	0.45	
Internal Facilities	B	3	0.15	0.45	
External Social Spaces	A	4	0.10	0.40	
External Facilities	B	3	0.10	0.30	
Overall Rating:				3.60	A

Environmental Conditions					
	Rating	Number	Weighting	Total	
Learning & Teaching Spaces	B	3	0.50	1.50	
Internal Social Spaces	B	3	0.15	0.45	
Internal Facilities	B	3	0.15	0.45	
External Social Spaces	A	4	0.10	0.40	
External Facilities	B	3	0.10	0.30	
Overall Rating:				3.10	B

Safety & Security					
	Rating	Number	Weighting	Total	
Learning & Teaching Spaces	B	3	0.50	1.50	
Internal Social Spaces	A	4	0.15	0.60	
Internal Facilities	B	3	0.15	0.45	
External Social Spaces	B	3	0.10	0.30	
External Facilities	B	3	0.10	0.30	
Overall Rating:				3.15	B

Fixed Furniture & Fittings					
	Rating	Number	Weighting	Total	
Learning & Teaching Spaces	A	4	0.50	2.00	
Internal Social Spaces	B	3	0.15	0.45	
Internal Facilities	B	3	0.15	0.45	
External Social Spaces	B	3	0.10	0.30	
External Facilities	B	3	0.10	0.30	
Overall Rating:				3.50	A

Suitability Assessment - Overall Rating Matrix

This sheet is intended to allow authorities to look at the significance of factors across the whole school, and therefore to make troubleshooting more straightforward.
