

Integrated Impact Assessment

The purpose of an Integrated Impact Assessment is to evidence that Aberdeen City Council is meeting its legislative duties by assessing the potential impacts of its policies and decisions on different groups of people and the environment. The legislation considered within this assessment is:

- Section 2 [Equality Act 2010 protected characteristics](#)
- Section 3 [Socio-Economic](#)
- Section 4 [Consumer Duty](#)
- Section 5 [Human Rights](#)
- Section 6 [Children and Young People's Rights](#)
- Section 7 [Environmental impacts](#)

The term 'policy' is used throughout this document and applies to policies, proposals, strategies, provision, criteria, functions, practice, budget savings and activities that includes delivery of our services.

1. About the Policy

1.1 Title
Introduce parking charges at the beach
1.2 What does this policy seek to achieve?
The introduction of parking charges at the beach as part of our on-street parking charges
1.3 Is this a strategic programme/proposal/decision?
This is a proposal
1.4 Is this a new or existing policy?
New proposal
1.5 Is this report going to a committee?
Yes
1.6 Committee name and date:
Full Council (Budget) 5th March 2025
1.7 Report no and / or Budget proposal number and / or Business Case reference number:
OSR-12
1.8 Function and cluster:
City Regeneration and Environment - Operations

Impacts

Aberdeen City Council has a legal requirement as a public sector organisation to assess the impact of its work on equality groups and assess against human rights, children's rights and our socio-economic duty. This is our Public Sector Equality Duty (PSED). The PSED has three key parts:

- Eliminate unlawful discrimination, harassment, victimisation or any other prohibited conduct.
- Advance equality of opportunity.
- Foster good relations by tackling prejudice, promoting understanding.

This following five sections in the Integrated Impact Assessment demonstrate that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies what impact the policy may have on people with [protected characteristics](#).

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	Negative			Neutral	Positive
	High	Medium	Low		
Age		X			
Disability		X			
Gender Reassignment				x	
Marriage and Civil Partnership				x	
Pregnancy and Maternity		X			
Race				x	
Religion or Belief				x	
Sex				x	
Sexual Orientation				x	

2.2 In what way will the policy impact people with these protected characteristics?

This proposal will impact on those who wish to park their car whilst visiting or working in the area. Drivers can also park on the network outwith the area though this may mean a further trip on foot, cycle or bus to reach their destination.

It may impact on time and reduce opportunities people choosing to spend and connect with nature in this area.

Anyone parking to avoid the charges may impact on others. Displaced parking may impact on local communities in Seaton, around Urquhart Road and Footdee where there are no existing parking controls.

When considering people with disabilities, of older age, in pregnancy or maternity, who visit or work in the area, there could be a negative impact for them due to the proposed charge for the pay and display area.

Blue badge parking is free to those who have that provision.

2.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

Geographical data has been assessed to confirm adjacent controlled parking areas.

What consultation and engagement has been undertaken with officers and partner organisations?

Chief Officers from all other services have had sight of all budget options being put forward.

What consultation and engagement has been undertaken with people who may be impacted by this policy?

Aberdeen City Council undertook a two-part public consultation around the 2025/26 Budget and future spending plans from August 2024 to November 2024.

In Part 1, conducted throughout August 2024, participants were asked to provide feedback on four key areas: Budget Options, Council Tax, Service Area Prioritisation, and Capital Programme Expenditure. Under Budget Options, respondents were queried about the potential impacts of proposed options, including both reduction strategies and income-boosting charges. Regarding Council Tax, input was sought on acceptable levels of increase and their potential impacts. Citizens were also invited to express their views on which service areas should be prioritised for spending and to offer their opinions on capital programme expenditure.

In part 2, which took place throughout November 2024, the Council consulted on additional budget options, again focusing on the impact if implemented. The phase 2 consultation included budget options relating to the Aberdeen Health and Social Care Partnership.

There were 4278 responses across the four areas consulted on during part 1 of the online consultation and 1535 responses to part 2. Respondents had the option to indicate which protected characteristics would be affected.

Various approaches were offered to support participation. Throughout both phases, opportunities were offered for the public to attend face to face and digital sessions to discuss the proposals in more detail. There were 2 face to face sessions, including British Sign Language options and 4 digital sessions, with a total of 24 attendees.

77% of respondents indicated introducing parking charges at the beach would have a negative impact, with 33% high, 22% medium, and 22% low negative impact. Meanwhile, 23% reported no impact.

Summary of comments:

Opposition to Beach Parking Charges: Many respondents are against introducing parking charges at the beach, arguing it will deter visitors and negatively impact local business.

2.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?

Alternative modes of travel, either active, public transport or car club vehicles, are available through the operational hours of a controlled parking zone. Outwith the hours of the parking bay operation, parking is available free of charge to all. Parking is also free of charge at the periphery of the controlled parking zones areas.

For those with disabilities, there is the 'Blue Badge' parking scheme, that beyond providing 'close proximity' parking opportunities in dedicated bays, provides an exemption from any charges associated with general on-street pay & display parking bays established by the Council.

With mitigations in place, what is the new overall rating of the negative impact(s)?

High

Medium

Low

Negative Impact Removed

x

3: Socio-Economic Impacts

Aberdeen City Council has a duty to reduce the inequalities of outcome that can arise from socio-economic disadvantage. This section is used to consider what impact the policy may have on people experiencing socio-economic disadvantage – and how any inequalities of outcome arising from the policy can be reduced.

Use this guide to understand more on socio-economic inequalities: [The Fairer Scotland Duty: Guidance for Public Bodies \(www.gov.scot\)](https://www.gov.scot/publications/fairer-scotland-duty/guidance-for-public-bodies/pages/1-introduction-to-the-guidance-for-public-bodies.aspx)

3.1 What impact could this policy have on people who experience the following aspects of socio-economic disadvantage?

	Negative	Neutral	Positive
Low income – those who have insufficient earnings to meet basic needs, such as food, clothing, housing, or utilities.	X		
Low/ no wealth – those who have no savings for unexpected spend or provision for the future.	X		
Material deprivation – those who cannot afford or access goods or services that are considered essential or desirable for a decent quality of life, such as food, clothing, heating, transport, internet, cultural, recreational and social activities.	X		
Area deprivation – those who live in an area with poor living conditions, such as higher levels of crime, pollution, noise, congestion, or lack of infrastructure, amenities, or green spaces.	x		
Socio-economic background – social class, parents' education, employment, income.	X		

3.2 In what way will the policy impact people experiencing socio-economic disadvantage?

This policy would impact those wishing to visit the area where a charge would now be required to park. There is also a history of people parking at the beach to avoid parking charges within the city centre. The displaced parking from the beach is likely to accumulate in residential areas around Park Road area, Seaton and Footdee areas, creating further parking pressures in these areas.

3.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?
Geographical areas from ACC GIS Roads layer.
What consultation and engagement has been undertaken with officers and partner organisations?
Chief Officers from all other services have had sight of all budget options being put forward.
What consultation and engagement has been undertaken with people who may be impacted by this policy?
Budget consultation phases 1 and 2 with opportunity for feedback to be submitted online open until 17 November 2024.

3.4 What mitigations can be put in place?

What can be done to reduce any negative impacts of this policy (if applicable)?
Active and public transport options are also available.
No – negative impact remains

If mitigations are in place, does this remove or reduce the negative impact?	Yes – negative impact reduced	x
	Yes - negative impact removed	

4: Consumer Impacts

The Consumer Scotland Act 2020 places a Consumer Duty on the public sector to put consumer interests at the heart of strategic decision-making, emphasising the need for accessible and affordable public services, especially during times of financial pressure. This person-centred approach is intended to result in better quality services and outcomes for the public as consumers of public services across Scotland.

This section of the IIA is used to consider the impact of the policy on consumers of any services that the policy is intended to change.

Use this guide to understand more on the consumer duty: [How to meet the consumer duty: guidance for public authorities](#)

4.1 What impact could this policy have on any of the below consumer groups?

	Negative	Neutral	Positive
Individuals	X		
Small businesses	X		

4.2 In what way will the policy impact people in these consumer groups?

The retail and hospitality businesses within the Queen's Links Leisure Park are supplied with private car parking, which is not currently charged but may be time restricted. Those accessing or operating the independent ventures e.g. food vans will be impacted by the requirement to pay for kerbside space.

This policy would impact consumer access to goods and services in a way that makes them less easy and simple to use and may discourage take up.

This policy would impact those wishing to visit the area where a charge would now be required to park. There is also a history of people parking at the beach to avoid parking charges within the city centre. The displaced parking from the beach is likely to accumulate in residential areas around Park Road area, Seaton and Footdee areas, creating further parking pressures in these areas.

4.3 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
Active and public transport options are also available.		
If mitigations are in place, does this remove or reduce the negative impact?	No – negative impact remains	
	Yes – negative impact reduced	x
	Yes - negative impact removed	

5: Human Rights Impacts

The Human Rights Act 1998 sets out the fundamental rights and freedoms that everyone in the UK is entitled to. It incorporates the rights set out in the European Convention on Human Rights (ECHR) into domestic British law. The Human Rights Act came into force in the UK in October 2000

The Act sets out our human rights in a series of 'Articles'. Each Article deals with a different right.

Use this guide to understand more about [Human Rights](#).

5.1 What impact could this policy have on Human Rights?

Human Rights Article	Negative	Neutral	Positive
Article 2: Right to life		X	
Article 4: Prohibition of slavery and forced labour		X	
Article 5: Right to liberty and security		X	
Article 6: Right to a fair trial		X	
Article 7: No punishment without law		X	
Article 8: Right to respect for private and family life, home and correspondence		X	
Article 9: Freedom of thought, belief and religion		X	
Article 10: Freedom of expression		X	
Article 11: Freedom of assembly and association		X	
Article 12: Right to marry and start a family		X	
Article 14: Protection from discrimination in respect of these rights and freedoms		X	
Article 1 of Protocol 1: Right to peaceful enjoyment of your property		X	
Article 2 of Protocol 1: Right to education		X	
Article 3 of Protocol 1: Right to participate in free elections		X	

5.2 In what way will the policy impact Human Rights?

No impact on Human Rights

5.3 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
N/A		
If mitigations are in place, does this remove or reduce the negative impact?	No – negative impact remains	
	Yes – negative impact reduced	
	Yes - negative impact removed	

6: Children and Young People's Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child's life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children's rights apply to every child/young person under the age of 18 and to adults still eligible to receive a "children's service" (e.g. care leavers aged 18 – 26 years old).

There are 4 articles known as the "General Principles". They help to interpret the other articles. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)

For ease, the articles have been grouped in three categories to support assessments against the Convention, those most directly related to the **PROVISION** of services, those most directly related to the **PROTECTION** of children and young people, and those to encourage their active **PARTICIPATION** in decision making. You can [read the full UN Convention \(pdf\)](#), or [just a summary \(pdf\)](#), to find out more about the rights that are included.

6.1 What impact could this policy have on the rights of Children and Young People?

	Negative	Neutral	Positive
PROVISION			
Article 2: non-discrimination		X	
Article 3: best interests of the child provision and protection		X	
Article 5: parental guidance and a child's evolving capacities		X	
Article 16: right to privacy		X	
Article 17: access to information from the media		X	
Article 18: parental responsibilities and state assistance		X	
Article 22: refugee children		X	
Article 23: children with a disability		X	
Article 24: health and health services		X	
Article 26: social security		X	
Article 27: adequate standard of living		X	
Article 28: right to education		X	
Article 29: goals of education		X	
Article 30: children from minority or indigenous groups		X	
Article 31: leisure, play and culture		X	
Article 39: recovery from trauma and reintegration		X	
Article 40: juvenile justice		X	
PROTECTION			
Article 6: life survival and development		X	
Article 7: birth registration, name, nationality, care		X	
Article 8: protection and preservation of identity		X	
Article 9: Separation from parents		X	
Article 10: family reunification protection		X	
Article 11: abduction and non-return of children		X	
Article 15: freedom of association		X	

Article 19: protection from violence, abuse and neglect		X	
Article 20: children unable to live with their family		X	
Article 21: adoption		X	
Article 25: review of treatment in care		X	
Article 33: drug abuse		X	
Article 34: sexual exploitation		X	
Article 35: abduction, sale and trafficking		X	
Article 36: other forms of exploitation		X	
Article 37: inhumane treatment and detention		X	
Article 38: war and armed conflicts		X	
Article 32: child labour		X	
PARTICIPATION			
Article 12: respect for the views of the child		X	
Article 13: freedom of expression		X	
Article 14: freedom of thought, belief and religion		X	
Article 42: knowledge of rights		X	

6.2 In what way will the policy impact the rights of Children and Young People?

No impact to the right of Children and Young People

6.3 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
N/A		
If mitigations are in place, does this remove or reduce the negative impact?	No – negative impact remains	
	Yes – negative impact reduced	
	Yes - negative impact removed	

7: Environmental Impacts

Aberdeen City Council has a duty to meet its legal environmental responsibilities by working towards Net Zero emissions, adapting to climate change, and acting in a way it considers most sustainable. We must also fulfil the [biodiversity duty](#) and [sustainable procurement duty](#).

This section in the Integrated Impact Assessment demonstrates that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

Use this guide to understand more on the legal climate change duty: [Climate change - gov.scot \(www.gov.scot\)](#) and find out more about how Aberdeen is adapting to Climate Change: [Aberdeen Adapts | Aberdeen City Council](#)

7.1 What is the impact of this policy on any of the below climate, environmental and waste considerations?

	Negative	Neutral	Positive
Council or City-wide carbon emissions		X	
Active and sustainable travel			X
Facilities for local living		X	
Resilience and adaptability to flooding and weather events		X	
Biodiversity improvement and wildlife/habitat connectivity		X	
Water consumption and drainage		X	
Pollution (air, water, noise, light and land contamination)			X
Impact on resource use and waste		X	
Sustainable procurement of goods and services		X	

7.2 In what way will the policy impact the environment?

This action may have a limited positive impact if those travelling to the beach review the decision to use a vehicle and instead transfer to active or sustainable travel modes.

7.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?
What consultation and engagement has been undertaken with local groups, partner organisations, experts etc? Where required, identify any other environmental assessments that have been completed.
Budget consultation phases 1 and 2 with opportunity for feedback to be submitted online open until 17 November 2024.

7.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
The Council continues to develop and deliver active and sustainable travel improvements.		
If mitigations are in place, does this remove or reduce the negative impact?	No – negative impact remains	
	Yes – negative impact reduced	
	Yes - negative impact removed	

8: Sign Off

Any further positive or negative impacts on individuals or groups that have been considered?
None
Does the policy relate to the Council's Equality Outcomes? If yes, how:
No
Overall summary of changes made to the policy as a result of impact assessment.
None.
Outline how the impact of policy will be monitored.
Monitoring of this policy would relate to income generated from the charges imposed. Enquiries/ complaints received from adjacent neighbourhoods related to displacement parking could also be taken into account.
If there are any remaining negative impacts after mitigation, what is the justification for why this policy should proceed.
