

Integrated Impact Assessment

The purpose of an Integrated Impact Assessment is to evidence that Aberdeen City Council is meeting its legislative duties by assessing the potential impacts of its policies and decisions on different groups of people and the environment. The legislation considered within this assessment is:

- Section 2 [Equality Act 2010 protected characteristics](#)
- Section 3 [Socio-Economic](#)
- Section 4 [Consumer Duty](#)
- Section 5 [Human Rights](#)
- Section 6 [Children and Young People's Rights](#)
- Section 7 [Environmental impacts](#)

The term 'policy' is used throughout this document and applies to policies, proposals, strategies, provision, criteria, functions, practice, budget savings and activities that includes delivery of our services.

1. About the Policy

1.1 Title

North of Scotland EV Charging Infrastructure Partnership

1.2 What does this policy seek to achieve?

The report seeks approval

- for the formation of a Special Procurement Vehicle (SPV), with Highland Council as the lead authority to allow the procurement of a preferred commercial partner.
- for the Contract Award to the Preferred Bidder, who will then become our Private Sector Partner (PSP) with Highland Council as the lead
- to include the existing public Electric Vehicle (EV) charging infrastructure in the Special Procurement Vehicle which will ensure that all public EV charging units across the North of Scotland will be managed, operated and maintained by a single Charge Point Operator.

1.3 Is this a strategic programme/proposal/decision?

This is a strategic programme to deliver against Net Zero targets through partnership with a Private Sector Partner to invest in EV Charging Infrastructure

1.4 Is this a new or existing policy?

This builds on an existing policy and allows an acceleration towards Net Zero targets

1.5 Is this report going to a committee?

Yes

1.6 Committee name and date:

Finance & Resources Committee – 7th May 2025

1.7 Report no and / or Budget proposal number and / or Business Case reference number:

CORS/25/065

1.8 Function and Cluster:

Corporate Services, Commercial & Procurement Shared Services

Impacts

Aberdeen City Council has a legal requirement as a public sector organisation to assess the impact of its work on equality groups and assess against human rights, children's rights and our socio-economic duty. This is our Public Sector Equality Duty (PSED). The PSED has three key parts:

- Eliminate unlawful discrimination, harassment, victimisation or any other prohibited conduct.
- Advance equality of opportunity.
- Foster good relations by tackling prejudice, promoting understanding.

This following five sections in the Integrated Impact Assessment demonstrate that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies what impact the policy may have on people with [protected characteristics](#).

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	Negative			Neutral	Positive

N/A

6.3 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?

N/A

If mitigations are in place, does this remove or reduce the negative impact?

No – negative impact remains

Yes – negative impact reduced

Yes - negative impact removed

7: Environmental Impacts

Aberdeen City Council has a duty to meet its legal environmental responsibilities by working towards Net Zero emissions, adapting to climate change, and acting in a way it considers most sustainable. We must also fulfil the [biodiversity duty](#) and [sustainable procurement duty](#).

This section in the Integrated Impact Assessment demonstrates that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

Use this guide to understand more on the legal climate change duty: [Climate change - gov.scot \(www.gov.scot\)](#) and find out more about how Aberdeen is adapting to Climate Change: [Aberdeen Adapts | Aberdeen City Council](#)

7.1 What is the impact of this policy on any of the below climate, environmental and waste considerations?

	Negative	Neutral	Positive
Council or City-wide carbon emissions			X
Active and sustainable travel			X
Facilities for local living			X
Resilience and adaptability to flooding and weather events		X	
Biodiversity improvement and wildlife/habitat connectivity		X	
Water consumption and drainage		X	
Pollution (air, water, noise, light and land contamination)			X
Impact on resource use and waste			X
Sustainable procurement of goods and services			X

7.2 In what way will the policy impact the environment?

Positive impacts include

- Council wide carbon emissions will reduce as EVs replace more ICE vehicles (Internal combustion engines)
- The project will lend itself to behaviour change – more people might be more inclined to spend time outdoors if the air quality is improved
- The Council will be providing an EV Infrastructure accessible to all, which is sustainable and available
- Ensuring network resilience so that anyone can utilise a chargepoint when they need it
- Positive impact on Council resilience biodiversity indicator in respect of Climate Change
- Positive move to the use of more green energy; reduction in fossil fuel usage

7.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

The impact of Climate Change is well documented and the Council has its own policy documents relating to Net Zero ambitions which are incorporated as part of the LOIP (Local Outcome Improvement Plan)

What consultation and engagement has been undertaken with local groups, partner organisations, experts etc? Where required, identify any other environmental assessments that have been completed.

N/A

7.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?

N/A

If mitigations are in place, does this remove or reduce the negative impact?

No – negative impact remains

Yes – negative impact reduced

Yes - negative impact removed
