Dear [REDACTED],

Thank you for your information request of 14 July 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**1. Please provide the details of any recycling service changes, planned or expected over the next 2-3 years.**

Aberdeen City Council has just undergone a major change in the way recycle is collected from households in Aberdeen City. Unless there is a change in legislation that requires a different method of collection or onward processing, then no further changes are currently planned

For further information on our current service, please see our Waste and Recycling page on our website:

[http://www.aberdeencity.gov.uk/waste/waste\\_environmental.asp](http://www.aberdeencity.gov.uk/waste/waste_environmental.asp)

**2. What arrangements do the council have in place for the reprocessing of collected paper and card?**

Collected and processed paper and card is baled and sold on via SUEZ UK's brokerage team and is turned into other paper and card products by the companies to which it is sold.

We hope this helps with your request.

Yours sincerely,

Grant Webster  
Information Compliance Officer
