Dear [REDACTED]

Thank you for your information request of 27 June 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please provide information held by the council regarding the decision to use "Steni Colour" rainscreen cladding as a component in the EWI system being installed as part of the Seaton 7 project.

ACC undertook its first over-cladding project in 2001. Steni products were employed. These products provided a satisfactory technical performance, while being financially competitive to install.

The rain-screen cladding to the 'Seaton 7' project was specified as being "Steni Nature and Steni Colour or equal approved", on the basis of their previous satisfactory performance.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
