Dear [REDACTED]

Thank you for your information request of 14 August 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I wonder if under Freedom of Information you can tell me if the 20mph warning lights on Queens road were switched on and working on the 16th February 2017.

I am not sure if records are kept on whether they are actually switched on or not but if you can let me know I would be grateful.

The lights were operational on this day. The Police checked them prior to setting up for the speed checks being carried out that day.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
