Dear [REDACTED]

Thank you for your information request of 26 June 2017 and subsequent clarification. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

1)

a) Please tell me how much the council has spent on temporary/substitute teachers in its schools since January 2014.

Please see attached spreadsheet.

b) Please break down the answer by month up to and including the date of the receipt of this email.

Please see attached spreadsheet.

2)

a) Please also tell me how many temporary/substitute teachers were employed by the council for each month of the above period.

In order to answer this part of your request, we have taken into account the number of staff paid during a month, the counted the unique number of payroll reference number used each month.

b) Also, please tell me the longest period of time a single temporary/substitute teacher had been working for the council in one position.

This is a count on the number of times a costing has been used by a single person. There is one person who has based in one school for the entirety of the checking period

In order to obtain this information, we checked the cost centres that were being used for timesheets and counted the number of times there was a single person who worked at the same cost centre for 42 consecutive months.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
