FOI-17-0966 - Foreign Travel Final.xlsx

Dear ,

Thank you for your information request of 4 July 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

From 01 January 2016 to the day this request is processed, I would like to know the number of overseas trips council officials have taken in the course of conducting council business.

For each overseas trip, please provide the following information:

- The date and duration of the overseas trip, as well as the country/city that was visited
- The full name, title and position of the council official who went on the overseas trip
- The reason or reasons why the council official went on the overseas trip
- The cost of the overseas trip (please provide a breakdown of travel costs, accommodation costs and expenses)
- Please state whether the council met the costs of the overseas trip, or whether an individual, group, company, consortium, charity or another organisation met the costs.
- Please provide the full name of the individual, group, company, charity or organisation that met the costs. If it is a group or consortium, please state who or what composes the group or consortium.

Please refer to the attached spreadsheet, <u>FOI-17-0966 – Foreign Travel</u>.

Please note that third party names and personal details, as well as the names of ACC Officers who are below Head of Service level have been redacted (blacked out) from the attached report. This is because ACC considers that this information is exempt from disclosure. In order to comply with its obligations under the terms of Section 16 of the FOISA, ACC hereby gives notice that we are refusing your request under the terms of Section 38(1)(b) in conjunction with Section 38(2)(a)(i) — Personal Information - of the FOISA.

In making this decision ACC considered the following points:

ACC is of the opinion that Section 38(1)(b) applies to the information specified above as the information in question is personal information relating to living individuals, and the applicant is not the data subject.

ACC is of the opinion that Section 38(2)(a)(i) applies, as ACC considers that disclosure of this information would be a breach of the first Data Protection Principle (that personal information must be processed fairly and lawfully). Third parties and ACC Officers who are below Head of Service level named within the attached documents would not expect ACC to release this information about them into the public domain under the Freedom of Information (Scotland) Act 2002 (FOISA).

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
