Dear [REDACTED],

Thank you for your information request of 14 July 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please provide the total cost of all taxi journeys for each year between 2013 and present.

The information below is recorded under a specific code which relates to spend on taxis:

2016/17	£256,155
2015/16	£260,548
2014/15	£226,288
2013/14	£221,654
2012/13	£210,318

Please be aware that this will not be total expenditure on taxis, only that coded through this account code. To explain, taxi expenditure may also be accounted for under Travel costs, Course and Conference costs and possibly other transaction costs too. We would have to examine each transaction and extract the relevant information to report on total expenditure.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
