Dear [REDACTED],

Thank you for your information request of 22 August 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

For the purpose of this request 'the council' refers to Aberdeen City Council.

Please could you provide the full list of noise complaints made to the Council from 1st Jan 2015 up to, and including, August 2017, broken down into the following categories.

We would like the information for both domestic and commercial noise complaints:

Please note, the type of noise complaint recorded (domestic or commercial) will determine which team of ACC investigates. The Environmental Health Team investigate all commercial noise complaints (construction site noise, railway noise etc.) and the Anti-Social Behaviour Investigation Unit investigate all domestic noise complaints (loud TV, banging from neighbours etc.). The records held by ACC are therefore dependent on the team that investigated.

a) Number of complaints during the specified period of time, broken down by category and month e.g 60 x Out of Hours noise - music from club/pub/restaurant in July 2016

Please see attached a list of commercial noise complaints received by Environmental Health from 1/1/15 to 24/8/17. By using the filters, you will be able to identify complaints by month.

There have been 8,872 domestic noise complaints made to ACC in the time period requested.

Jan 2015-Dec 2015 = 3,277

2015												
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
249	287	324	329	282	242	295	257	274	293	262	183	3277

Jan 2016-Dec 2016 = 3,055

Shouting	690
TV	209
Washing Machine	65
	8872

b) List of, and quantity of, all action that has been taken as a result of the noise complaint e.g 10 x warning, 5 x noise abatement order issued, 20 x no action taken

For commercial noise complaints, action taken is not recorded in the way that is easily identifiable/retrievable. Details of when a noise abatement notice has been issued have been detailed. There are 1441 noise complaints investigated between the dates required. Each investigation record would require to be accessed to determine what type of action, if any, was taken if it was not formal. It will take on average 3 minutes to find, access and review each case. This is likely to amount to around 72 hours of work.

To provide you with information on **List of, and quantity of, all action that has been taken as a result of the noise complaint e.g 10 x warning, 5 x noise abatement order issued, 20 x no action taken** would require us to interrogate each of the 1441 recorded complaints and extract the relevant information. ACC hereby gives notice that we are refusing your request under the terms of Regulation 10(4)(b) – Manifestly Unreasonable – of the EIRs.

In making this decision ACC considered the following points:

Is the request manifestly unreasonable?

ACC is of the view that the information requested is manifestly unreasonable under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs).

The request must impose a significant burden on ACC, be manifestly unreasonable or disproportionate

ACC is of the view that providing the information requested would require a disproportionate amount of time and the diversion of an unreasonable proportion of ACC's resources away from its operations.

To explain this, the service has advised that there is one officer available to undertake the work required to manually extract the individual actions from files. Given the time involved in providing this information, ACC is of the view that this request would have an impact on the core business of the team.

Has ACC provided reasonable advice and assistance to the applicant?

ACC would be happy to discuss ways in which you may refine your request, so we can provide some information of interest to you. Please do contact the Information Compliance team who will be happy to advise you, if this is something you would like to pursue.

What are the public interest arguments?

ACC recognises that there is a general public interest in assuring the public that ACC has a procedure in place to investigate complaints and provide help and support, and to this end has published general information about noise nuisance here:

http://www.aberdeencity.gov.uk/planning_environment/environmental/environmental_health/pol_NoiseControl.asp

ACC has also published information in response to previous similar requests on its online Disclosure Log, normally under 'Environment'.

http://www.aberdeencity.gov.uk/council_government/dp_foi/freedom_information/disclosure_log.asp

However, in this instance, ACC is of the view that the public interest in maintaining the manifestly unreasonable exception outweighs this general public interest, given the time required to provide the information, which would have an impact on the services delivered by that Team.

For domestic noise complaints, for the period requested, there have been 271 Warning Notices issued due to noise. Warning notices and Fixed Penalty Notices (please see below) are the only two enforcement actions taken by the Anti-Social Behaviour Investigation Unit.

c) Full list of fines issued due to breaks of a 'noise abatement order' (broken down by number of fines and monetary value of each fine)

None for commercial noise complaints.

For domestic noise complaints, in the period requested, there have been 18 Fixed Penalty Notices issued. The monetary fine for these Fixed Penalty Notices is £100.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
