Dear [REDACTED]

Thank you for your information request of 18 August 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Under Freedom of Information, I wish to request the following:

“All information on facilities offered by the council to the public or its employees which are not - as of this date - converted to accept the new £1 coin.”

Accord Card Team

As of 18 August 2017, the only facility yet to be converted to accept the new £1 coin is the laundry payment card top-up machines in Council laundry facilities. These machines are used by tenants to add credit to their laundry cards which they use to pay for the laundry facilities on site.

Catering Services

As of 18 August 2017, Facility Management (FM) Catering Services have one hot drinks machine left to convert and this will be done before the deadline.

Pay and Display Machines

50 pay and display machines as of 18 August 2017.

Please feel free to provide any additional information, such as an explanation for this lack of readiness or a date by which the equipment or service should be ready to accept the coin.

Accord Card Team

These machines will be updated to accept the new £1 coin in advance of the old £1 coin ceasing to be legal tender on 15th October 2017.

Catering Services

The contracted company has still to carry-out the conversion.

Pay and Display Machines

The pay and display machines that have not been upgraded to accept the new £1 coin are scheduled for removal and therefore would not require the upgrade.

We hope this helps with your request.

Yours sincerely,

Anna Buchan
Information Compliance Officer
