[EIR-17-1514 - Stockethill Crescent Reports.pdf](#)

Dear [REDACTED]

Thank you for your information request of 17 October 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

This enquiry is in relation to 50-80 Stockethill Crescent, Aberdeen.

Copies of inspection records from January 2014 until present.

Please see attached under 'Condition Survey'.

Details of any works carried out on the road from January 2014 until present.

Please see attached under 'Maintenance Management'.

Please note, the only works recorded within the vicinity of the above address during the dates specified were undertaken by Scottish Gas between May and June 2015. These works were within the carriageway and not on the footway. As the area out-with the carriageway is not adopted, we would not have any other records of works carried out in the internal slabbed footpaths.

Details of any complaints made in respect of the condition of the paving slabs, steps and general footpaths from January 2014 until present.

There are no complaints logged regarding the condition of the paving slabs, steps or general footpaths at Stockethill Crescent since January 2014.

We follow the Scottish Local Authority Complaints Handling Procedure. Under this procedure, a 'complaint' is defined as "an expression of dissatisfaction regarding our actions, or lack of action, or the standard of service provided by us or on our behalf". There are some topics that cannot be considered as a 'complaint', including first time requests for a service e.g. reporting a pothole or broken paving slab.

For more information please visit www.aberdeencity.gov.uk/complaints and refer to the 'What is a complaint?' section.

Please note that third party names and personal details, as well as the names of ACC Officers who are below Head of Service level have been redacted (blacked out) from the attached report. This is because ACC considers that this information is excepted from disclosure. In order to comply with its obligations under the terms of Regulation 13 of the EIRs, ACC hereby give notice that we are refusing your request under the terms of Regulation 11(2) in conjunction with Regulation 11(3)(a)(i) – Personal Information - of the EIRs.

In making this decision ACC considered the following points:

ACC is of the opinion that Regulation 11(2) applies to the information specified above as the

information in question is personal information relating to living individuals, and the applicant is not the data subject.

ACC is of the opinion that Regulation 11(3)(a)(i) applies, as ACC considers that disclosure of this information would be a breach of the first Data Protection Principle (that personal information must be processed fairly and lawfully) and second Data Protection Principle (personal information must only be processed for a specific and lawful purpose). ACC Officers who are below Head of Service level and third parties named within the attached document would not expect ACC to release this information about them into the public domain under the EIRs (or the Freedom of Information (Scotland) Act 2002 (FOISA)).

We hope this helps with your request.

Yours sincerely,

Information Compliance Team

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
