Dear [REDACTED],

Thank you for your information request of 24 October 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Freedom of Information Request

- **Town and Country Planning (Scotland) Act 1997 - Section 160**
- **Planning etc. (Scotland) Act 2006 - Section 28**

We would be obliged if you can provide us with the following details in regards to Orders that have been made by Aberdeen City Council under the legislation listed above:

- **Orders that remain extant as at 24th October 2017**

Please see attached spreadsheet.

Please note that we have removed specific details that would allow the identification of personal information.

If possible we would be grateful if you were able to supply us with maps showing the extent of the Tree Preservation orders.

ACC is unable to provide you with information on **The names of TPO's that allude to individual properties or location maps** as it is excepted from disclosure. In order to comply with its obligations under the terms of Regulation 13 of the EIRs, ACC hereby gives notice that we are refusing this part of your request under the terms of Regulation 11(2) in conjunction with Regulation 11(3)(a)(i) – Personal Information – of the EIRs.

In making this decision ACC considered the following points:

ACC is of the opinion that Regulation 11(2) applies to the information specified above as the information in question is personal information relating to living individuals, and the applicant is not the data subject.

ACC is of the view that these individuals could be identified by disclosure of the requested information into the public domain under the Environmental Information (Scotland) Regulations 2004 (EIRs)(or the Freedom of Information (Scotland) Act 2002)(FOISA)).

Names and addresses of individuals are, in the main, publicly accessible from the electoral register and therefore it would be likely that the individuals could be identified from the publication of the Tree Preservation Orders and location maps.

ACC is of the opinion that Regulation 11(3)(a)(i) applies, as ACC considers that disclosure of this information would be a breach of the first Data Protection Principle (that personal information

must be processed fairly and lawfully) and second Data Protection Principle (personal information must only be processed for a specific and lawful purpose). These individuals would not expect ACC to release information about them into the public domain under the Environmental Information (Scotland) Regulations 2004(EIRs)(or the Freedom of Information (Scotland) Act 2002)(FOISA)).

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
