Dear [REDACTED]

Thank you for your information request of 20 November 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Under Freedom of Information (Scotland) Act 2002 I would like to request the following:

How much the council has spent clearing up fly-tipping in the last three years? Could this please be broken down by year.

Fly tipping wastes are collected with the Domestic Residual waste and it is not currently possible to isolate these tonnages and consequent costs.

If possible, can you break down the number of incidents/call outs or issues which have been dealt with? If not, the total cost for each year's clean-up is great.

The flytipping requests contain addresses and there are over 10,000 lines of data for the last 3 years. As we are not currently able to separate out this waste stream from the domestic residue it is not possible to assign costs to these call outs.

ACC is unable to provide you with information on **fly-tipping** as it is not held by ACC. In order to comply with its obligations under the terms of Section 17 of the FOISA, ACC hereby gives notice that this information is not held by it.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer

However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request.
