Dear [REDACTED]

Thank you for your information request of 4 September 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I am writing to request some information on School Technician numbers within Aberdeen City Council secondary schools.

What is the permanent corporate FTE (Full Time Equivalent) of Technicians in each of the 12 Aberdeen City Council secondary schools?

Please refer to the attached spreadsheet [FOI-17-1280 – School Technicians](#).

Can these numbers be broken down to: include Supervisory Technicians; and to exclude Supervisory Technicians, please?

Please refer to the attached spreadsheet [FOI-17-1280 – School Technicians](#).

Also, what factors and formulas are used to determine the allocation of Technician numbers per school?

The formula is based on an allocation of 174 technician hours per annum for each teacher and Library Resource Centre Co-ordinator. This includes the supervisory post. There is a further allocation of 87 hours for each music instructor allocated to the school. The overall allocations are subject to a corporate efficiency saving that reduces the allocation by 7%.

We hope this helps with your request.

Yours sincerely,

Anna Buchan
Information Compliance Officer
