Dear [REDACTED]

Please accept our sincere apologies for the delay in responding to your information request of 6 November 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

1. In the most recent financial year (2017-17) how much money was paid in grants and funding to local businesses/start-ups, religious groups/establishments, and charities by your council? This does not include loans.

For example, payments made to support a new business that could benefit the local economy, enable a charity to carry out worthy project, money to enable a local church to offer support to homeless people, etc.

The First Employee Grant scheme was funded from the Business Gateway budget. The scheme is no longer run in Aberdeen but during the last financial year £5,500 was paid out to Aberdeen City businesses before it closed.

Please find enclosed the two spreadsheets – FOI-17-1599 – Common Good and Twinning Grants – and FOI-17-1599 – Small Financial Assistance Grants – which include details of other Council grants as well.

Please see below a list of grants from our Education service:
