Dear [REDACTED]

Thank you for your information request of 13 November 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I understand Council Pay Bands were set and agreed by the Single Status Project Board and Joint Trades Unions.

I understand they are still used today and the scoring information, or the minimum & maximum scores, for each of the banding levels is a recorded document which is used as part of the current job evaluation process.

I request a copy of that document, i.e. the matrix that aligns or assimilates the job evaluation (minimum and maximum scores) scores to the staff pay bands
