Dear [REDACTED]

Thank you for your information request of 13 November 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please provide details of how many disabled tenants are on your housing waiting lists having requested more suitable accommodation, such as a ground floor flat.

The number of current applicants on our housing lists that have classed themselves as disabled is 51. If the applicant has not classed themselves as disabled then we would not label them as such.

If possible, please provide basic information about each request, such as anonymised details about the tenant, the reason they requested a move and when the request was made. If a breakdown of each request is not possible due to time/cost grounds, please just provide the overall figure.

Please see below the information on these 51 cases. In some cases they have not supplied a reason for a move and this is not something we insist on.
