Dear [REDACTED],

Thank you for your information request of 24 November 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please could you provide each point for the years 2014/15; 2015/16 and 2016/17.

The total amount spent on supply teachers for primary and secondary schools.

2014/15 Primary £919,448 Secondary £669,774
2015/16 Primary £951,582 Secondary £792,887
2016/17 Primary £1,028,074 Secondary £866,182

Please note that these figures are for the financial year April to March. The figures do not include employer's superannuation and national Insurance costs. The merging of payrolls has meant we are unable to clearly identify such costs on specific groups of staff within a much larger teaching group.

The total number of supply teachers used and a breakdown of the subjects they were used for.

2014/15	256
2015/16	252
2016/17	310

There is no central record held of the subjects undertaken by supply teachers and there would be no way of obtaining accurate records for the subjects they were used for.

ACC is unable to provide you with information on **a breakdown of the subjects they were used for** as it is not held by ACC. In order to comply with its obligations under the terms of Section 17 of the FOISA, ACC hereby gives notice that this information is not held by it.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
