Dear [REDACTED],

Thank you for your information request of 11 December 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please provide me with information on re-securing buildings in the council area between the start of the 2014/15 financial year and 30 November 2017.

For each instance where a building required re-securing please tell me:

The name / location of the building

The date it was re-secured

The work carried out

The cost of the work

I'm referring to re-securing the building in terms of repairs that may need carried out after thefts of vandalisms, for example. I am looking for information on all council owned properties that are not used for housing.

Please see attached.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
