Dear [REDACTED]

Thank you for your information request of 20 February 2018. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

The purpose of this request is primarily to establish the types of vehicles that Local Authorities and their staff use, and how this has changed over the last ten years. This includes vehicles within the Local Authority car fleet or 'grey fleet' (owned by an employee but reimbursed by the LA), either wholly owned or rented by the LA.

If possible, I would be grateful if you could provide the information in the form of an excel spreadsheet. To make it easier for you to complete the request, I have attached a form with each question set out and an area to enter each answer.

Please see attached.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer

However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request.
