Dear [REDACTED],

Thank you for your information request of 30 April 2018. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

For the years 2015, 2016, 2017 and until 24 April 2018, can you please tell how much money has been spent on putting in place bollards, concrete blocks, plant pots or other objects on pedestrian streets to prevent vehicle access. Fundamentally I would like to know how much was spent on putting in place anti-terrorism structures in the city centre's streets to prevent a vehicle being used as a weapon.

Aberdeen City Council have had no expenditure on anti-terrorist structures in the requested years. A number of bollards have been erected to protect the footways, but these were not anti-terrorist related.

We hope this helps with your request.

Yours sincerely,

Information Compliance Team
