Dear [REDACTED],

Thank you for your information request of 9 January 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Q1. How many applications for residential parking permits were made in your council over the following timeframes?

ACC is unable to provide you with information on **the number of applications made** as it is not held by the Council. In order to comply with its obligations under the terms of Regulation 10(4)(a) - Information Not Held - of the EIRs, ACC hereby gives notice that this information is not held by it. ACC is required by Regulation 10(1)(b) of the EIRs to inform you as to why in all the circumstances of the case, the public interest in maintaining this exception outweighs the public interest in disclosing this information to you. ACC is satisfied that it does not hold this information and considers that, as there is no information held, the public interest lies with the exception.

We only hold records of the number of permits which have been issued, and we hope that this is helpful for you. All figures include residents, visitors and scratch cards which are available for use by residents in some Zones.

2016/17 - 15960 permits were issued.

2017/18 - 15510 permits were issued.

2018/19 (1 April 2018 – 11 January 2019) - 12618 permits were issued

Q2. How many applications for residential parking permits were rejected in your council over the following timeframes?

2016/17

2017/18

2018/19 (Year to Date)

ACC is unable to provide you with information on **the number of applications rejected** as it is not held by the Council. In order to comply with its obligations under the terms of Regulation 10(4)(a) - Information Not Held - of the EIRs, ACC hereby gives notice that this information is not held by it. ACC is required by Regulation 10(1)(b) of the EIRs to inform you as to why in all the circumstances of the case, the public interest in maintaining this exception outweighs the public interest in disclosing this information to you. ACC is satisfied that it does not hold this information and considers that, as there is no information held, the public interest lies with the exception.

We only hold records of the number of permits which have been issued and as such we cannot advise how many applications were rejected.

Q3. How much revenue did you earn from issuing residential parking permits in the following timeframes?

2016/17 - £676919.75

2017/18 - £629058.75

2018/19 (Year to Date) - £513828.75

Q4. How many roads in your council required a parking permit in the following timeframes?

2016/17

2017/18

018/19 (Year to Date)

Council Parking Permits are issued by Zone rather than by street. Information on the Zones and the streets covered by each Zone is attached – [EIR-19-0048 - Permit Entitlement List 12.12.18](#) and [EIR-19-0048 - Permit Zone Street List](#).

We hope this helps with your request.

Yours sincerely,

Claire Barranger-Clark
