Dear [REDACTED],

Thank you for your information request of 11 January 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

**I would like to request a up to date list of roads and their classifications within your remit - including those that are generally not signposted - in addition to the standard M, A and B roads. These tend to go by the designations C, D or U, although the exact details vary by area and may differ from any or all of these. A map detailing these roads would be appreciated but is not necessary for you to fulfil your obligation. Therefore, any public roads that are not considered private where any road not listed is considered to be private.**

Please see list attached, [EIR-19-0068 – List of Roads](#).

We hope this helps with your request.

Yours sincerely,

Grant Webster
