Dear [REDACTED]

Thank you for your information request of 21 January 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Could you please provide the amount (£) spent by the council on repairing roads so far in 2018-19, as well as in 2017-18, 2016-17, and 2015-16?

2015-16: £779,804.00

2016-17: £840,394.00

2017-18: £1,363,530.00

2018-19: £261,513 (up until the beginning of August, as these are the latest collated figures.)

Please note these figures refer to all carriageway patching (not planned resurfacing works) that are carried out by Roads Services, as this is how the figures are held. Costings are held by financial year - from April to April - therefore, the above costs are provided as per financial year.

We hope this helps with your request.

Yours sincerely,

Salomeh Kheyri Rad
