Dear [REDACTED],

Please accept our sincere apologies for the delay in responding to your information request of 4 March 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Under the freedom of information act please could you send me a copy of your planning policy in SHP or KML format or in any other digital shape format. We are specifically interested in the local plan and want access to the underlying special data within that local plan? We are interested in the spatial data with the planning policy in either .SHP or .KML formats. We are particularly interested in the underlying spatial data (shape files) of all the planning policy maps. Can we have access to the spatial data?

Please see attached.
