Dear [REDACTED],

Thank you for your information request of 1 March 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Please provide info for the last financial year

What is the reasoning behind having times on a Saturday morning where access is restricted to bus lanes when volume of traffic does not justify it (no real impact on public transport by private vehicles using the bus lanes)

Bus lane timings on a Saturday morning provides consistency with other operational days of the week and also helps buses maintain timetabled journey times and punctuality, which is of significant importance to the many thousands of people who use the buses and important to encouraging more people to consider using public transport.

What % of bus lane fines are attributable to Saturday infringements across Aberdeen City

24.4%

What % of bus lane fines are attributable to Saturday infringements relating to Wellington Road bus lane

9.9%

We hope this helps with your request.

Yours sincerely,

Grant Webster
