Dear [REDACTED]

Thank you for your information request of 28 January 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

I was wondering whether ACC has purchased any large vehicles *without* AEBS since the recommendation. Please can you state the number of large vehicles ACC has purchased without ABES in addition the 33 you have purchased with AEBS?

Fleet have not purchased any large vehicles since the last 33. Any new vehicles being ordered will have AEBS as a standard specification.

We hope this helps with your request.

Yours sincerely,
