Response to the Main Issues Report

Development Bid Reference â■■ B0944 â■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan.

This area is crying out for a new link road and there doesn't seem to be an awful lot of scope currently for improving the roads infrastructure in the area. A new road between North Deeside Road and Inchgarth Road would greatly improve through traffic whilst substantially improving the wellbeing of the residents who live in the small, unsuitable roads currently being used as rat run. According including this site in the LDP will allow for this to happen.

I know there are plan so for a retirement village on the site which would be well located having amenities provided within its confines and also being close to the village itself.

Additional green space is available to be opened up to residents and the public on the west side of the proposed retirement village.
