Response - LDP Main Issues Report 2019 Consultation

Development Bid Reference 0944 Inchgarth Road

I confirm my support for this bid.

I am conscious of the poor roads in the Pitfodels Station Road area which are dangerous for pedestrians and motorists alike.

I am aware that there is a proposal for a new relief road in the area which would be a big improvement for the whole community.

I am also aware of the possibility of a retirement village being built in this area which would allow many elderly residents in the area to downsize to something more suitable.
