Development Bid Reference 0944 Inchgarth Road

I support this bid.

The traffic congestion in the Cults area needs to be addressed preferably by a better link road connecting North Deeside Road and Inchgarth Road as demonstrated in this plan. The current roads are perilous to traverse given the volume of traffic, narrow roads and narrow or non-existent pavements, not to mention their difficult and dangerous access to the main roads.

The intentions for the use of the land west of Pitfodels Station Road i.e. retirement village, new link road, open public space, is very suitable for this site and should be supported. The amenities to be provided within the retirement village will be of benefit to all in the east side of Cults. This plan uses a useless piece of land for the benefit of the whole community.
