

NOTICE OF REVIEW OF POLLING DISTRICTS AND POLLING PLACES

In accordance with The Electoral Registration and Administration Act 2013, Aberdeen City Council is conducting a review of polling districts and polling places.

The review is intended to take account of learning and feedback from recent elections and any recent change in circumstances. Polling places must be accessible to all electors, including voters with a disability, so far as practicable.

Representations on the proposals are invited from elected representatives, political parties, electors within the Aberdeen City Council area and persons or organisations with particular expertise in respect of access to premises for people with different forms of disability. Those making submissions are requested to offer alternatives wherever possible.

Representations should be made in writing (by post or by e-mail) to the address below. **The deadline for receipt of representations is Thursday 25th July 2019. Any representations received will be posted on the Aberdeen City Council website and available for public inspection.** After this deadline, and consideration of all representations received, a report containing the final proposals for polling districts and polling places will be submitted for consideration at a meeting of Aberdeen City Council.
