

Review of Polling Districts and Polling Places

City of Aberdeen

In accordance with The Electoral Registration and Administration Act 2013, Aberdeen City Council has conducted a review of polling districts and polling places.

The proposals were published on 25th June 2019 and comments were invited from Community Councils, elected representatives, political parties, electors within the Aberdeen City Council area or within any of the UK Parliamentary constituencies within the authority's area and persons or organisations with particular expertise in respect of access to premises for people with different forms of disability.

Following public consultation, the Council has now resolved to confirm the list of polling districts and polling places to be used at future elections.

A copy of the agreed list of polling districts and places can be found at www.aberdeencity.gov.uk and at the office address below.
