Dear [REDACTED],

Thank you for your information request of 18 July 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Planning approval ref: P151878 was granted subject to the securing of developer obligations for Strategic Transport Fund Contribution. Can I ask for correspondence confirming this has been secured, or can you direct me to the department that can confirm.

Developer obligations towards Strategic Transport Fund were linked to this application when it was approved. The STF was ruled not to be legal and we cannot request nor accept payments towards it.

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.

We hope this helps with your request.

Yours sincerely,
