Dear [REDACTED],

Thank you for your clarified information request of 20 May 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

Clarification: I guess an appropriate timeframe would be anytime in the last 5 years since the Transparency Code 2015 came into force down south.

Given that the disclosure would need to apply to all departments I wonder whether any search could be narrowed down to proposals from Council leadership?

To disclose whether Aberdeen City Council has given any consideration to the disclosure of each individual item of expenditure over £500.00 as is similarly required, amongst other publication requirements, in England by The Local Government Transparency Code 2015.

Please note that this is not a requirement in Scotland, and as such there has been no consideration to disclosing this information.

And to disclose all communications relating to any consideration this proposal has been given by Aberdeen City Council.

There are none. Please refer to the response above.

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

ACC handled your request for information in accordance with the provisions of the Freedom of Information (Scotland) Act 2002. Please refer to the attached PDF for more information about your rights under FOISA.

We hope this helps with your request.

Yours sincerely,
