**Subject:** EIR-19-1443 - CHP Element  
**Attachments:** V3 - Further Information - Right to Review & Appeal.pdf

Dear [REDACTED],

Thank you for your clarified information request of 28 October 2019. Aberdeen City Council (ACC) has completed the necessary search for the information requested. Our response is now detailed below.

**What is the current state of play re plans and funding for the CHP element of the plant that is currently under construction? This related to the energy from waste plant CHP (combined heat and power) element.**

The Energy from Waste plant currently under construction includes the equipment necessary to provide hot water to a local district heating network. The contract also requires the Contractor to supply the network once installed. This network is a separate Aberdeen City Council project rather than a joint Council project and progression of its feasibility was approved at Committee in January 2017. Since then, the Council has been working on the detailed proposals including routing and costing which are due to be considered at the Council's City Growth and Resources Committee on Tuesday 26 November 2019.

### INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), we considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which we have handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.

We hope this helps with your request.

Yours sincerely,
