#### WHAT'S INVOLVED?

Challenge yourself this summer! With our 9 reading related challenges, there's something for everyone (details overleaf). Challenges can be completed in any order and recorded in the boxes below.

#### DO I NEED TO DO ALL THE CHALLENGES?

No, you can do as many as you wish. Alternatively, let us know what you're reading and record it in the boxes below, perhaps using the challenges to inspire you. Or why not do a mix of both?

#### HOW DO I ENTER?

Register as an individual or as a group at [bit.ly/AberdeenReads](https://bit.ly/AberdeenReads). Everyone who participates will be entered into a prize draw. There are additional prize draws for completing 3 or more challenges/reads.

#### HOW DO I RETURN MY CHALLENGE CARD?

Via our social media and email (details overleaf) or check out the posters in our library windows. You'll find bonus activities and challenges there too.

Full details are available on our website [www.aberdeencity.gov.uk/aberdeenreads](http://www.aberdeencity.gov.uk/aberdeenreads)

# CHALLENGES

## PLACES

We might all be staying close to home but reading can still take us places. Where would you like to go? Use our eBooks, eAudiobooks, eMagazines, eComics, eNewspapers to read something about or set in another country (real or fictional).

## STREET SCENES

When you're out, find an interesting building, sign or place. Imagine it's your book cover, create a title or story to match. Alternatively, we've shared a selection of photos from Silver City Vault on our Facebook page and website. Which would be your cover and why?

## TITLES

Read something written by a person with the same first name as you or a title starting with the same letter as your name. Visit our library catalogue for inspiration.

## GET CREATIVE

Read a 'how to' book – cooking, gardening, diy, crafts – and follow the instructions to make something.

## ECO FRIENDLY

Use recycled or leftover materials to create something related to your favourite book: it could be a place or a character.

## COVER VERSIONS

Read/listen to a story that is also a film/tv show. Which did you prefer, the story or the screen version?

## QUIZZES

Create a quiz based on what you're currently reading and challenge friends, family or library staff to answer it. Visit our website for some we've already made to get you started!

## FAVOURITE BOOK

In 3 words, tell us why everyone should read your favourite book.

## FAVOURITE PLACE

Tell us where you love to read and help us find Aberdeen's favourite place to read!

Use **#AberdeenReads** to share your challenges or what you are reading via Aberdeen City Libraries' Facebook or Twitter or email [learningdevelopment@aberdeencity.gov.uk](mailto:learningdevelopment@aberdeencity.gov.uk)
