BULLETIN

Hello and welcome to our first school's bulletin of 2021.

Covid 19 regulations continue to affect our daily lives but we are keen to share how you can access a wide range of AAGM learning resources. Although our venues are temporarily closed and home schooling continues, there are plenty of ways for learners to explore the city's collections.

Virtual CPD

Thursday 18 March at 16:00

This is an opportunity to hear directly from us on how our new learning resources can support your teaching and for you to let us know how we can improve our offer. This session will be held virtually, and it will be recorded and made accessible via our website if you cannot join us on the day.

 [You can book your space here](#)

Google Classrooms

There are now eight Google Classrooms, that are packed with information, links and activities for use in the classroom and at home. Available as downloadable PDFs via our [website](#) and Google Classroom code.

Virtual Workshops

We can present a live online session for learners via Google Meet or Microsoft Teams on Aberdeen's history and art collection. For more information contact us at

So How Did You Do it?

Talk and Q&A with Art Curator Jessica Barrie

Originally scheduled for January 2021, this event will now take place later in the year. This fantastic opportunity allows senior phase secondary learners (S4 - S6) to meet one of the younger members of the collections team Jessica Barrie. They will hear about Jessica's journey from secondary school to Art Curator and can ask her questions on her professional pathway. Teachers and learners can send in questions for Jessica via AAGMLearning@aberdeencity.gov.uk

Fashion, Fantasy, Collaboration: The Legacy of Bill Gibb

Online Symposium Saturday 20 March 10.30am - 2.30pm

Join us to explore the legacy of Aberdeenshire-born international fashion designer, Bill Gibb, in the company of curators, academics, fashion writers, Bill Gibb's sisters and writer-performer Shane Strachan. Encouraged by his art teacher at Fraserburgh Academy, Gibb studied at St Martin's and the Royal College of Art in London before becoming one of Britain's leading fashion designers in the 1970s, adored by celebrities including Twiggy, Elizabeth Taylor and Bianca Jagger. We have 6 complementary tickets available for Aberdeen City / Shire teachers – please contact us if you'd like to attend. For more information head over to our website, where you can also browse hundreds of items from our [Bill Gibb collection](#).
