SO HOW DID YOU DO IT?

Talk and Q&A with Art Curator Jessica Barrie

This fantastic opportunity allows senior phase secondary learners (S4 - S6) to meet one of the younger members of the collections team Jessica Barrie. They will hear about Jessica's journey from secondary school to Art Curator and can ask her questions on her professional pathway.

This will be a live online session via Microsoft Teams Meet on **Friday 29 January at 11am**. The session can be played in the classroom, using a smartboard or on learner's own devices. Questions can be submitted in advance and raised during the talk. If you and your learners would like access to this online session, please email AAGMLearning@aberdeencity.gov.uk for the MS Teams Meeting link.
