

# CAMP GERONIMO 2023

## PROJECT OUTLINE

An artist-led play opportunity for children and their parents in Aberdeen city. Strengthening family relationships, building confidence and learning new skills together through creative play, family support & the arts.

Creative Learning, working alongside Family Learning, offered a summer camp for identified families.

Geronimo offered the opportunity to step out of the routine and reconnect to create quality time in nature to play together. Artists shared ideas and materials in these spectacular wild locations to allow imaginations to run away for maximum fun! Woodland and coastal themed creative activities were explored in each location together with supporting families and sharing lunch!..

**This project was funded by the Fairer Aberdeen Fund**

How much did your little one enjoy THE GROVE?

16 identified families provided with free lunch and support during the school summer holidays.

How much did your little one enjoy ABERDEEN BEACH?

## FEEDBACK

*What did you and your little one(s) and children enjoy most about the sessions?*

- Spending time playing together (1:1)
- Having fun with the artists and Family Learning outdoor leaders

“LOVED the Smores and want LONGER sessions..”

“IT WAS GREAT! We couldn't wait to come back...”

“I was surprised by how little is needed to play...”

*Wellbeing has improved and families are more confident about interacting and creatively playing with their young ones.*
