Dear [REDACTED]

Thank you for your information request of 25 January 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

Please could I request an up to date list of all contractors, subcontractors and suppliers that have or will be involved with the building project at Berryden / Denburn corridor?

WSP/Parsons Brinckerhoff, AECOM and SYSTRA are providing consultancy services.

Some advanced demolition works are currently being undertaken by David Smith Contractors.

The construction of the scheme is some time away and no contractor has been appointed at this time.

ACC is unable to provide you with information on **all contractors, subcontractors and suppliers that have or will be involved with the building project at Berryden / Denburn corridor** as it is not held by the Council. In order to comply with its obligations under the terms of Regulation 10(4)(a) - Information Not Held - of the EIRs, ACC hereby gives notice that this information is not held by it. ACC is required by Regulation 10(1)(b) of the EIRs to inform you as to why in all the circumstances of the case, the public interest in maintaining this exception outweighs the public interest in disclosing this information to you. ACC is satisfied that it does not hold this information and considers that, as there is no information held, the public interest lies with the exception.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer
