[EIR-17-0342 - Non Trad Build.xlsx](#)

Dear [REDACTED],

Thank you for your information request of 27 February 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I'm currently in the process of compiling local authority information of addresses where non-traditional methods have been used.

Several mass building projects for local authority houses were constructed using prefabricated or in-situ techniques such as concrete or steel and often had trade names such as Reema, Wates, Cornish etc. These are both pre and post war. Some of these types were subject to further investigation under the Housing Act 1985.

I would be grateful if you could forward any information you hold of information relating to such dwellings in your local authority. Even if the information is limited it would be of great use. Some local authorities have provided lists showing the road, number and type to assist with identification.

Please see attached.

We hope this helps with your request.

Yours sincerely,

Grant Webster
Information Compliance Officer

INFORMATION ABOUT THE HANDLING OF YOUR REQUEST

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
