**Date:** 17 March 2017 11:53:19  
**Attachments:** [Further Information - Right to Review & Appeal.pdf](#)

---

Dear [REDACTED]

Thank you for your information request of 7 March 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

**I would like to receive an up to date project directory and a list of sub-contractors, suppliers and consultants of all of the companies involved in**

**ABERDEEN WESTERN PERIPHERY ROUTE - A90 BALMEDIE TO TIPPERTY**

**A90 Balmedie to Tippetty, Aberdeen, Grampian, AB23 8XR**

**Scheme compromises of Dualling works to the A90 between Balmedie and Tippetty which will include 8.5km of new road, new fly over junctions and attenuation ponds to accommodate excess storm water.**

While our aim is to provide information whenever possible, in this instance Aberdeen City Council does not hold some of the information you have requested. Therefore, ACC is unable to provide you with a complete project directory, list of sub-contractors, suppliers and consultants involved with the construction of the AWPR information as it is not held by the Council. In order to comply with its obligations under the terms of Regulation 10(4)(a) - Information Not Held - of the EIRs, ACC hereby gives notice that this information is not held by it. ACC is required by Regulation 10(1)(b) of the EIRs to inform you as to why in all the circumstances of the case, the public interest in maintaining this exception outweighs the public interest in disclosing this information to you. ACC is satisfied that it does not hold this information and considers that, as there is no information held, the public interest lies with the exception.

However, we can confirm that the principal contract for the AWPR/B-T project is between:

- Aberdeen Roads Limited and Aberdeen City Council

The two principal subcontracts Aberdeen Roads Limited holds are with:

- AWPR Construction Joint Venture comprising Balfour Beatty Civil Engineering, Carillion Civil Engineering and Galliford Try Infrastructure trading as Morrison, for the design and construction of the New Works required under the AWPR/B-T Project; and
- Balfour Beatty Regional Civil Engineering, for operation and maintenance of relevant roads included within the scope of the AWPR/B-T Project.

Also involved with Aberdeen City Council for design and build aspects of the AWPR/B-T project:

- Engineering advisory services provided by Jacobs Engineering Group and SWECO UK.

We hope this helps with your request.

Yours sincerely,

Nicky Leiper  
Information Compliance Officer

### **INFORMATION ABOUT THE HANDLING OF YOUR REQUEST**

As the information which you requested is environmental information, as defined under Regulation 2(1) of the Environmental Information (Scotland) Regulations 2004 (the EIRs), ACC considered that it was exempt from release through FOISA, and must therefore give you notice that we are refusing your request under Section 39(2) of FOISA (Freedom of Information (Scotland) Act 2002). However, you have a separate right to access the information which you have requested under Regulation 5 of the EIRs, under which ACC has handled your request. Please refer to the attached PDF for more information about your rights under the EIRs.
