Dear [REDACTED]

Thank you for your information request of 13 March 2017. Aberdeen City Council (ACC) has completed the necessary search for the information requested.

I am looking to establish if Aberdeen City council own or have adopted the street and car park which runs adjacent and to the building at 66 Ashgrove Road, Aberdeen, AB25 3AD or is this road and car park area privately owned? The car park area is situated towards the rear of 66 Ashgrove Road.

The street and car park area sits directly opposite to Laurelwood Avenue, Aberdeen. I have attached photos for ease in identifying the street.

The access beside no.66 Ashgrove Road is adopted as a short cul-de-sac giving access to no.64.

The carriageway and adjacent footway are maintained by the Council.

It is not unusual to find that parking spaces adjacent to an adopted road within a residential development are not adopted. There are often private arrangements over the use of such spaces which would be incompatible with adoption as a public road.

We hope this helps with your request.

Yours sincerely,

Nicky Leiper
